THE PROGRESS.

SEMI-WEEKLY.

SHREVEPORT, LA., JULY 9, 1896

The Old Brick Church.

The well-known sexton of the Methodist Church in Rushville, hands us the following lines which he "composed in the old brick, on a recent Sabbath, while waiting for the congregation to assemble." We have seen less meritorious productions in print:

I am waiting in the old brick church.

This cold and wintry day;

Waiting for the coming crowd

That here unite to pray.

While lightly on the earth without

The feathery snow-flake falls,

There still is warmth and comfort here

Within these ancient walls

The broken ceiling overhead

Which oft bestrewn the floor,

Reminds one of the silent dead

Who worshipped here of yore.

The gospel truths have here been read

And preached by many a score;

And many a voice has here been heard

Now heard on earth no more

Off has been heard within these walls

The penitential prayer,

And the glad shout of new-born souls

That found their Saviour there.

While many a soul here has found

The way of life and peace

Has reached that bright and happy land

Where all our sorrows cease;

And some who found the living way

Are on their journey still,

Marching along the narrow road

That leads up Zion's Hill.

As that some who sought for grace

And felt the heavenly flame,

Have crucified the Lord afresh

And put his cause to shame.

Here I have tried, with trembling step

To walk the narrow way,

But must confess with much regret

Have often gone astray;

And when I look upon the past,

My sins and follies see,

I think how very merciful

The Lord has been to me.

But as on earth all things must end,

However bright and fair,

So this old church will ere long be

Among the things that were.

We still meet to worship here

A very little while,

Then pass we to another church

Of new and nobler style.

With lofty tower and turrets grand,

With high and arching door,

With stained glass and frescoed walls

And carpet on the floor.

There we will meet, and while our eyes

Will o'er these beauties range

We'll think them fine, but will our hearts

Be bettered by the change?

—The Mite Record, Rushville, Ind., 1896.

SOMETHING GOOD TO EAT.

Nothing is more conducive to public health; nothing will more speedily put one in a pleasant humor and make him good natured, public spirited and charitable than a good, square meal. This is the reason that all who board with Frank Serwich wear such a jovial countenance, and are always ripe for fun. Serwich's restaurant and Ladies' Dining Parlors are very popular resorts in Shreveport.

The Progress believes that Christ died for the cocaine users of Shreveport, but our Christian people don't seem to think so; and while they plan for the salvation of far off China and Japan, the victims of this horrible drug are rushing recklessly and unchecked down to hell. Christian people of Shreveport, what answer will you make to God's query, WHERE IS THY BROTHER? meaning the cocaine users of your city?

Do You Want

MADAM RUMOR SAYS

That there is some little estrangement among the members of the city administration.

That the central market question is still under discussion and parties are laboring with it.

That an underground culvert is being laid on Louisiana street, but She doesn't see the street commissioner superintending the work. What's the matter with Mr. Wise?

That it's a safe plan for the mayor to sustain his officers until he catches them unworthy, and then have them expelled.

That while Officer Andreola lost his head and acted very unbecomingly, he is a good policeman and She would dislike very much to have him expelled.

That the battle seems to be on between the mayor and some of the butchers, over the central market question, and She pauses to inquire, where do the people come in? Have they no rights?

That She would like to know who should superintend street improvement work?

That the ordinance introduced by Mr. Lowenthal to regulate the speed of bicycles is a good one and should be passed.

That there are a number of young boys in this town that the mayor should teach a salutary lesson right now. She thinks it would prove beneficial to their future.

That all who do not already attend some Sunday-school are cordially invited to unite with that of the Jordan Street Church which meets every Sabbath morning at 9:30 o'clock.

That Wm. H. Harvey, the great silver advocate, will be at Chantiqua next Thursday and Friday.

That She loves music but She likes to have the performer charge tunes some times.

That it is about time to start a mad dog scare, or must we wait till August?

That Mayor McKellar would receive the everlasting thanks of hundreds of citizens—men, women and children—if he would have Texas avenue sprinkled down.

That the Board of Health would receive a fine chromo if it would tell the mayor that the above suggestion is necessary to keep out yellow fever.

MRS. T. T. FIELD.

The Progress notes with pleasure that Mrs. T. T. Field has appeared in journalism again, taking her old place as associate of the New Enterprise of Marksville, La. In doing so, we regret she must write through an amanuensis—her devoted husband; but we are glad to get her back again and read her spicy articles though she must come to the fold afflicted. However, The Progress does not intend to let her know how very glad it is, because while she was in Shreveport some time ago, she ignored our office entirely in her calls while she honored the others with her presence.

P.P.P. BRINGS HELP TO ALL!

Superior To All Sarsaparillas.

Down in Georgia, over fifty years ago, a marvelous medicine was discovered. It was what is now known as P. P. P., (Lippman's Great Remedy), and its fame and reputation has been growing with the years.

For Rheumatism, Blood Poisoning, Pain in the side, wrists, shoulders, back and joints, Dyspepsia, Malaria, Scrofula, and all Blood and Skin Diseases, it has never been equaled.

Pain is subdued, Health Renewed, Appetite restored and sleepless nights banished by its wonderful influence.

P. P. P. is a wonderful tonic and strengthener. Weak women should always take P. P. P. It builds them up. It has the universal commendation of medical men throughout the country, because we publish the formula on every bottle, and one trial will convince the most skeptical that it is a genuine health restorer.

Read The Truth And Be Convinced.

A Wonderful Cure.

I was a martyr to muscular rheumatism for thirty years; tried all medicines and doctors with no permanent relief. I was advised to take P. P. P., and before I had finished two bottles my pain subsided so I was able to work. I feel better than I have for years, and am confident of a complete recovery.

J. S. DUPRIS, Newnanville, Fla.

Testimony from the Mayor.

I suffered with Rheumatism for fifteen years, tried all the so-called specifics, but to no purpose. My grandson got me a bottle of P. P. P., and I feel like a new man.

W. H. WILDER, Mayor of Albany.

From Two Well-known Physicians.

We are having a big sale for your P. P. P., and we prescribe it in a great many cases, and find it an excellent thing. We handle about one dozen bottles a week.

Drs. J. M. & M. T. RICHARDSON, Piedmont, S. C.

Hot Springs Surpassed.

A bottle of P. P. P. has done me more good than three months' treatment at the Hot Springs, Ark.

J. A. ES M. NEWTON, Aberdeen, Brown Co., O.

Pimples, Sores and Eruptions Cured.

I take great pleasure in testifying to the efficient qualities of the popular medicine for skin diseases known as P. P. P. I suffered for several years with an unsightly and disagreeable eruption on my face. After taking three bottles in accordance with directions, I am entirely cured.

Savannah, Ga. Capt. J. D. JOHNSTON, of Johnston & Co.

The above letters are taken from many received by us. P. P. P., (Lippman's Great Remedy), is a medicine whose virtues are known from the Atlantic to the Pacific.

P. P. P. begins its work by purifying the blood, which is the source of all life, and does not cease until a perfect and entire cure is effected.

The mortifying eruptions that disfigure the complexion, the tired feeling that prevents thorough accomplishments of the daily tasks, sleepless nights, loss of appetite, irritability of disposition, all mean a derangement of the system consequent from impure blood, which can and will be cured by P. P. P.

P. P. P. (Lippman's Great Remedy), is conceded by physicians and the people to be the **Greatest Blood Purifier of the Age**. It positively and permanently cures. For sale by all druggists or direct from us; price \$1 a bottle, six bottles for \$5.
