Does a General Banking Business. Buys and Sells Domestic and Foreign Exchange. A WORTHY SUCCESSOR. "Something New Under the Sun." All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease.
