### Plenty of Fresh Water.

Regardless of the dry and continued hot weather the rice crop throughout the Gueydan section is doing extremely well. The L. & H. Canal is kept continually full for the farmers, and he who fails to take advantage of the fresh water supply, has no right to grumble when salt water reaches us. However we have every reason to believe that we will have plenty of fresh water for a week longer at the shortest. J. W. Myers the general manager of the L. & H. Canal Company in conversation with us a few days ago stated that the main canal was about 43 miles long with 70 some odd miles of laterals. This canal is undoubtedly the largest of its kind in the U. S.—Gueydan News.

### LEADS THEM TO.

"One Minute Cough Cure" beats all other medicines I ever tried for coughs, colds, croup and throat and lung troubles, says D. Scott Cargill of Lumberton, Pa. "One Minute Cough Cure" is the only absolutely safe cough remedy which acts immediately. Mothers everywhere testify that the food it has done their little ones. Croup is so sudden in its attack that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for croup, whooping coughs, Dr. Terry's, and more.
