MUNN & CO. PATENTS

After forty years' experience in the
preparation of more than one hundred
thousand applications for patents in the
United States and Foreign countries,
the publishers of the Scientific American
continue to act as solicitors for patents,
for the United States, and to obtain
patents in Canada, England, France,
Germany, and all other countries. Their ex-
perience is unequalled and their facilities are un-
surpassed.

Drawings and specifications prepared and filed
in the Patent Office on short notice. Terms very
reasonable. No charge for examination of models
or drawings. Advice by mail free.

Patents secured in the SCIENTIFIC AMERICAN, which has
the largest circulation and is the most influential
reviewer of the kind, published in the world.
The advantages of such a notice every patentee
understands.

This large and influential illustrated newspaper
is published weekly at 25 c. a copy, and is ad-
mitted to be the best paper devoted to science,
mechanics, inventions, engineering, and all
other branches of industrial progress. Pub-
lished in any country, it contains the names of
all patentees and holders of every patent issued
anywhere. Try it for one month for one dollar
by all senders.

If you have an invention to patent write to
Munn & Co., publishers of Scientific American,
New York, and send them your name and ad-
dress. Send them your patent mailed free.

FIRST PREMIUM. EAGLE MILLS, SPRINGFIELD, MO.
—AT ST. LOUIS FAIR, OCTOBER, 1886.—
DIPLOMA

The Eagle Mills, Springfield, Mo., owned and operated by Eversol
& Son, was awarded at the St. Louis Fair, 1886, First Premium
on Patent Flour, in a contest open to the world. This award
made by the best Flour Judges in America places the Eagle
Mills, as they should be, at the head of the Milling interests in
the west. The Flour is made from a superior grade of winter
wheat carefully selected for that purpose from grain grown upon
the timber-lands of the Ozark Mountains. One member of the
firm devoting his time to its selection and purchase. We guar-
antee every pound of our Flour to give entire satisfaction to the
purchaser, only asking a trial of its merits. Soliciting a share
of general patronage, we are,
Very truly yours,
EVERSOL & SON.
