—The *Sun* professes to be surprised that THE BULLETIN should raise its voice in denunciation of the radical office-holders of Southern Illinois, who persist in abusing our colored fellow-citizens and depriving them of their rights under the "fifteenth amendment." The *Sun* must understand, that it cannot escape castigation at our hands when it does anything inconsistent with the just claims of the "men and brothers" in our midst.

EDITOR OF THE BULLETIN: In a recent issue of your paper some one asks: "Are christians afraid to have their families read the Bible?"

Collier, in one of his sermons, seems to have given a tolerably good answer to the spirit which seems to have asked the question:

"The truth is, the Bible is like a great pasture, into which you turn all manner of feeders. The horse takes what he wants, so does the cow; the sheep is true to his instinct, so is the goat; and then last of all, the ass rolls the thistle like a sweet morsel under his tongue. So, where a man with a large, sweet nature, comes to the bible, he crops, by sure instinct, all the large sweet passages. The hopeful man finds the hopeful things: the hard man, the hard things, and every man the things which satisfy his cravings, though they *may in no way make* for his peace."

ANOTHER RAILROAD.

AN AIR-LINE RAILROAD FROM PEORIA TO CAIRO, VIA SPRINGFIELD.

A writer in the Peoria *Democrat* suggests an air-line railroad from Peoria to Cairo, via Springfield. He proposes to have the road built from Peoria to Pekin; from Pekin to Springfield, and from Springfield to Cairo. He says: "Peoria has a railroad to Rock Island. Then Rock Island would have a railroad to Cairo via Peoria, and to St. Louis via Hillsboro, Montgomery county. (Cross the St. Louis and Terre Haute railroad.) From Hillsboro, county town of Montgomery; then to Greenville, county town of Bond county; then to Carlisle, county town of Clinton county (where it would cross the Ohio and Mississippi railroad); then to Nashville, county town of Washington county; then to Pinkneyville, county town of Perry county; then to Brownsville, Jackson county; then to Cairo, county town of Alexander county. From Rock Island to Cairo this railroad would run through more county towns than any railroad in Illinois. It would pass through thirteen county towns—a good many of them having no railroad at all. This railroad would help Peoria as much as any of her railroads, for all of Egypt's early vegetables and fruit would come direct to Springfield, Peoria and Rock Island. It would help Cairo greatly, for there would be two routes from Chicago to Cairo. They could go to Chicago via the Peoria and Bureau Valley railroad, and via Centralia. This railroad will pass through the finest counties of Illinois."

KILLED.

A HUNTER ACCIDENTALLY KILLED BY PAT KELLEY'S GUN.

On last Friday morning, Pat Kelley, formerly of this city, and a party of friends started on a deer hunt from a rendezvous about six miles from Grenfield's landing in Missouri, opposite this city. Some of the party were on foot, and others were riding. Kelly was on a mule. After the party had gone a short distance the mule became unruly and threw Kelley who had his gun before him resting before the saddle. The gun was flung violently against a fence, and was discharged, sixteen buckshot of the load it contained entering the groin of one of the party inflicting a fatal wound. The sufferer, whose name we could not learn, lingered in great agony until Sunday when he died.

OUR RAILROAD INTEREST.—The present encouraging evidences of railroad prosperity should induce every citizen of Cairo to patronize Fred. Theobold, who has returned to the city and taken charge of his popular tonsorial palace, on Sixth street, between Ohio levee and Commercial avenue. Fred. is a master in his business, with a reputation that extends far and wide. He employs only the most skillful workmen. His razors are sharp, his towels fresh and sweet, and his barber-shop as clean and bright as a new pin. Give Fred a call, all for the sake of auld lang syne.

A single trial will convince the most skeptical of the efficacy of HELMBOLD'S GRAPE PILLS in sick or nervous headache, jaundice, indigestion, constipation, dyespepsia, billiousness, liver complaints, general debility, etc. No nausea, no griping pains, but mild, pleasant and safe in operation. Children take them with impunity. They are the best and most reliable. HELMBOLD'S EXTRACT SARSAPARILLA creates new, fresh and healthy blood, beautifies the complexion, and imparts a youthful appearance, dispelling pimples, blotches, moth patches and all eruptions of the skin.

Dr. R. V. Price, of Buffalo, N. Y., in his book on Chronic Diseases, says in regard to his Golden Medical Discovery, with which our readers are familiar, "from its wonderful power over Consumption of the Lungs I had thought strongly of calling it my Consumptive Cure; but from the fact that it is a perfect specific for the sore throat and hoarseness to which ministers and public speakers and singers are subject, and also for *Bronchitis, and all severe coughs*, and is an invaluable remedy for diseases of the Liver, and also as a Blood purifier. I decided not to apply to it a name which might mislead and prevent its use in other diseases for which it is so admirably adapted.

It will cure a cough in one half the time necessary to cure it with any other medicine, and it does it not by drying it up but by removing the cause—subduing the irritation and healing the affected parts."

This valuable medicine is sold by all first-class druggists.

WEISS BEER.—Charley Schonemeyer, at the Egyptian saloon, is in constant receipt of a full supply of the purest and freshest Weiss Beer—a beverage fit for a lord; exhiliariting without intoxicating, cool and delicious—just the drink to fight the dog-days with. Besides Weiss Beer, which he makes a specialty, he has also on hand an excellent stock of wines, liquors and cigars. Call on him.

ASSIGNEE'S SALE.—The further sale of the stock of hardware and agricultural implements of William M. Davidson is deferred until nine o'clock Thursday morning, July 27th, at which time the sale will be resumed and the entire stock closed out. GEORGE FISHER, Assignee.

Parties desiring boarding and lodging can learn terms on inquiry at the office.
