LOUIS BLATNY'S saloon deserves the popularity into which it has grown. It has been very handsomely fitted up, and is so comfortable that it is a pleasure while away a spare hour there. The bar is supplied with all kinds of fine liquors and wines, and with the best of Fresh Lager Beer, and Weiss Beer that in deliciousness cannot be excelled. A lunch, free to patrons, is spread every day, and an article of Sweets, Cheese, the best in the market, is always on hand. S. WALTERS, the lumber merchant, has returned from an extended tour through Wisconsin and Michigan, where he purchased the largest stock of Yellow and White Pine ever before brought to Cairo, and large supplies of all kinds of building material used in this market. Mr. Walters made his purchases for cash and can therefore, as he does, sell cheaper than any dealer in St. Louis, Cincinnati, Louisville, or any where else on the rivers. His steamboat lumber is of every variety, and his stock is very large, to which fact the attention of steamboat men is called. 5-31dtf

400 MEMBERS ADMITTED IN JAN UARY.

FIVE HUNDRED AND TWENTY-TWO MEMBERS ADMITTED IN MARCH—FIVE HUNDRED AND TWENTY-SIX MEMBERS ADMITTED IN APRIL—FIFTY-HUNDRED AND FIFTY-SEVEN MEMBERS ADMITTED IN MAY.

Such is the rapid growth of the Protection Life Insurance Company of Chicago, working on the Mutual contribution plan, and holding assets over eight times the amount of its liabilities. The cost of a policy in this company, including the annual dues for the first year, is but \$20 on \$5,000, or \$14 on \$2,500. Medical examination \$1.

The class system is entirely ignored—all assessments are based on the entire membership and the age of each one at joining. Only seven assessments (being one dollar each for all members between the ages of 25 and 40 years) have been made during the past year ending May 1st.

This is insurance at cost, and well worthy of patronage. For policies or information apply to

ANNOUNCEMENTS.

DR. D. A. PARKER FORGEELEY

Editor Bulletin.—Please announce me as independent candidate for a legislator in the lower House of the General Assembly of this State. As men in the days of honest government had to announce their principles and to themselves, and appear before their constituents and defend them before they could get off, I believe they still do so now, and will say to the voters of Jackson, Union, and Alexander counties, without awaiting the decision of any man or party, I am for Horace Greeley for President, and H. Grant Brown for Vice President and endorse the Cincinnati platform. I am for a free school law and against the primary system of electing men to office. I am against the stock law in this county and for the repeal of the Onio liquor law. I am for the abolition of the grand jury to its lowest constitutional limits and the revision of the traverse jury so that intelligent men shall not be disqualified to sit on its cases of felony. I am for free trade, equal taxation, equal representation, and honest men in office, even if I have to be defeated to get them there. D. A. PARKER, Dr.

Mr. Vanvor, Ill., April 11, 1872.

Dear Sir.—Please to announce me as a candidate for Clerk of the Supreme Court, Southern Grand Jurist of Illinois. The new constitution provides that the Clerks of the Supreme Court shall hereafter be elected at the November election, instead of the June election as a former one. The successor of the present incumbent are to be elected the coming fall, but will not qualify until the present terms expire in 1873.

Respectfully,
R. A. D. WIFEKANS.
