THE BEST and SUREST

REMEDY

OF THE AGE!

ENDER'S CHILL CURE

Contains no Quinine or Arsenic,

Is not Unpleasant to the Taste;

Children will take it without hesitation.

THE PUBLIC AND

MANY EMINENT PHYSICIANS

After a fair trial, pronounce it the best of all medicines yet known for the speedy and certain cure of

FEVER and AGUE, or CHILLS and FEVER.

Chills and Fever are caused from a certain poison existing in the atmosphere known as malaria. It deranges the vitality of the blood, retards the action of the different organs, and causes Chills, Congestion, &c., and in this way prepares the system for any disease of a congestive nature, which may follow. To avoid further trouble, and relieve yourself of this disease, take

ENDER'S CHILL CURE.

It stimulates the organs to perform their different functions, and acts as an antidote to the poison which causes the Fever and Ague, and thereby restores the system to health and vigor. As a good House such as

ENDER'S STOMACH BITTERS,

will give strength and appetite, will destroy that feeling of weariness that clings so tenaciously to any one when recovering from this disease. It is highly recommended for the cure of Dyspepsia,

FEMALE WEAKNESS.

And for coughs, colds, bronchitis and consumption. It is not to be surpassed. As A TONIC BEVERAGE it is unequalled, and is a sure preventive against Chills and Fever if taken regularly.

SEWING MACHINES.

WILLCOX & GIBBS Silent SEWING Family Machine!

IS THE BEST FOR FAMILY USE.

Will Stitch, Hem, Fell, Tuck, Cord, Bind, Braid, Quilt and Embroider Beautifully. It will, with the FINEST mercerized thread, run from perfect work on the finest Nainsook, over the heaviest beaver cloth and cowhide, with NO change of needle, thread or tension. It will use coarse cotton, linen, silk and twine. It runs easier, faster and stiller than any other machine. It forms a firm, even and elastic seam, differing from every other stitch, each loop being TWISTED by means of

THE "ROTATING HOOK,"

and drawing the twist into the goods, thus securely fastening every stitch, so that the seam will bear to be cut at frequent intervals, and in that case even, the seam is warranted **not to rip** in wear, and under all circumstances to "survive the washtub." Old, worn out family garments, basques, pants, dresses, &c., have been submitted to Committees at **FAIRS** where was the **GREATEST COMPETITION**, and to **this stitch** premiums have been awarded for its **superiority, Durability, Elasticity** and **Beauty.**

A patented device prevents the possibility of the machine being run in the wrong direction, or the balance wheel ever wearing or loosening the dress.

THE NEEDLE CANNOT BE SET WRONG.

Thus avoiding the great trouble of other machines.

NO BREAKING OF NEEDLES,

The blade of the needle is less than three-fourths of an inch long, and is straight,

WRONG.

Any one may adjust them IN THE DARK. The hem may be of any width. No other hemmer or feller is like this. It turns the hem on the right or under side as you want it.

It will not drop Stitches, as the needle is always set right, the blade short and straight, does not vibrate, like longer ones. They are

MANUFACTURED WITH MATHEMATICAL PRECISION,

Hence, each part is interchangeable and can be readily replaced in case of accident. It will last a generation, if properly cared for. None who has used it can be persuaded to use any other.

The roundness, evenness, durability and beauty of its stitch.

WERE NEVER EQUALED.

Its RAPIDITY, ABSOLUTE STILLNESS, EASE OF MOTION, narrowness and neatness of its HEM and FELL were **never approached** by any other machine.

The PRESS universally pronounce this the BEST FAMILY SEWING MACHINE IN THE WORLD. Whatever the merits of the other machines, it is no disparagement to say the Wilcox & Gibbs is worth, for family use, double that of any other ever offered to the public.

It received the **Gold Medal** of the American Institute—the FIRST PREMIUM for

"THE BEST SEWING MACHINE,"

at the great New England Fair—the Vermont State Fair—the Pennsylvania State Fair—the Indiana State Fair—the Wisconsin State Fair—the Michigan State Fair—the Iowa State Fair—and at over **60** County Fairs throughout the West—making more First Premiums than were taken by all other Sewing Machines together in the same time.

It is now the Great Leading Family Sewing Machine.

ALL OVER THE WORLD.

We take other machines in exchange. We sell Oil, Cotton, Silk, Twist and Needles for every kind of Sewing Machine.
