He Likes Oklahoma.

Mr. Hal G. Eagleton, who has been spending two or three months at Oklahoma City, in Oklahoma territory, has returned, and is very much impressed with the possibilities of that country. Oklahoma City already has a population of 18,000 and is rapidly growing. Money is flush and real estate values are increasing at bewildering figures.

While there Mr. Eagleton saw a great deal of Messrs. Frank Clark and J. H. Curry. These gentlemen are already making their impress and personality felt at both the civil and criminal bar of their new home. They are now engaged on two important murder trials and a real estate case involving upwards of two hundred thousand dollars. If they win this civil suit, which is one of great importance, as it affects the interests of many parties, they will not only receive a fee ranging somewhere in the neighborhood of \$50,000, but will firmly establish their reputation. They feel exceedingly sanguine of winning the suit. Their practice is growing rapidly and the firm of Clark and Curry is fast becoming the leading one in the territory.

Of course this is pleasant news to the friends of those gentlemen in this state whose name is legion.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.
