### New York Store Robber Caught.

Sheriff Scofield went to Bismarck last week to secure requisition papers for Chas. Sankey, the young man who robbed the New York store. He then went to Helena, Mont., but the governor being away, he did not secure the papers. He then went to Great Falls where Sankey was arrested, and induced the young man to accompany him to Minot without those papers. Scofield secured 30 jack knives, 12 razors, spirit levels, and 8 revolvers that the officers at Great Falls took away from Sankey, and brought them to Minot. The cost marks have been identified by the proprietors of the New York Store. Sankey claims that he is innocent, but everything points to his guilt. When arrested in Great Falls he was in a second hand store buying cartridges for one of the stolen revolvers. He was traced to his room where the remainder of the stolen goods were found. He has been seen in Minot at least once before the robbery was committed.

## TWO GREAT NORTHERN BRAKEMEN ARE KILLED

E. Pixley, a Great Northern brakeman, who made his home with his sister at Devils Lake, fell over a stone in the Great Northern yards in this city Saturday morning at an early hour, while making up a freight train, and both legs were cut off. He was given the best of attention at once but died at 8 o'clock in the morning from the loss of blood, and on account of the great shock to his nervous system. Mr. Pixley was a young man of excellent habits. He was a member of the Masonic order. His remains were shipped to Devils Lake Sunday.

Horace Tripp, a Great Northern brakeman, who lived with his mother in this city, was instantly killed near Lone Tree early Saturday morning, by falling between the cars when the train was in motion. It is expected that he made a misstep while walking over the tops of the cars. The train upon which he was breaking went on, no one knowing that a terrible accident had occurred. A second freight

train east bound, passed over the remains, and a third train had nearly passed before the awful discovery was made. The mutilated remains were picked up and brot to this city and prepared for burial. One arm was severed from the body and the body was cut in two across the chest. Horace was a young man about 25 years of age, a steady, sober fellow. He was his mother's sole support, and it can be said of him that he was ever kind to her. The blow was a terrible one to the mother who just a week before lost her little girl after a seige of ten weeks of typhoid fever. Mrs. Tripp bore up in a noble manner and while she has but one child left, realizes that it is the wish of Him that this loss should befall her. The funeral was held from the residence Sunday afternoon and services were also held from the Presbyterian church, Rev. Mr. Harris officiating. The remains were interred in Rose Hill cemetery. He was a member of the A. O. U. W. and this order turned out in a body.

### Lumber Dealers Still Fighting.

Dozens of new residences are being built in the city. Lumber has been reduced in price just one third, but how long the yards will keep their fight on is a question. Some believe that the fight will end this week. Now is the time to buy lumber and Minot is the place to buy it. If you live thirty or even forty miles of the city it will pay you to come here for your lumber while the fight lasts. Go to any of the yards and you will get your money's worth. One yard owner remarked to the Independent man that he did not care to sell much lumber at the present prices, but had to meet the other fellow's price. On some classes of material the yards are losing considerable money. It is expected that fifty buildings will go up in Minot yet this fall on account of the fight.

## Ask the Doctor

It is your privilege to take your prescriptions to the druggist you may prefer. The doctor is quite apt to write it upon whatever blank is handiest. It is not an indication that you are to take it to the store whose address appears upon it. The matter of having it compounded is something for you to decide according to your best judgment.

We believe that we give as perfect prescription service as can be had. If you desire the doctor's opinion ask him about us. We are confident he will assure you that you will make no mistake in bringing your prescription here.
