

## Minor Topics

L. S. Mallory, architect, Minot, N. D.

Pete McEnany will erect a big machine building at Ross.

The foundation for the G. N. depot is about completed.

Blaisdell, Bird & Denoyer have their office with the Blaisdell-Bird Company at Minot and will give all law business close attention.

Rev. W. C. Hunter will preach at Logan Sunday, July 2. All are welcome.

Chas. McFarland, a prominent farmer of Kenmare was visiting here Tuesday.

W. H. Campbell of Kenmare was in town Monday on his way to Grand Forks.

Marrs, the contractor builds houses right. His prices are right. Get his figures.

Mrs. Fred Willman of Minneapolis is visiting old friends in and around the city.

F. J. Knorr returned from Des Moines, Ia., where he went to transact business.

Ross will have a new bank. Thompson who is interested in a Westhope bank is behind the concern.

Henry Willis of Lansford sold three-quarters of his land for \$3000 and intends going to Washington.

H. E. Wheeler has charge of Peter Ehr's general store and is planning on instituting a big sale to clean up the line.

Lorge & Knorr sold to Emil Schwarze, Gus Watland and John Werner an Advance threshing outfit. The owners will be in line for all first class work.

Helmar Benson of Surrey with five horses put 160 acres into crop this year in excellent shape and did not hire a bit of help. He plowed all but 25 acres of the land this spring. He says that solves the mustard problem.

Tague beat Donnybrook at Donnybrook Sunday. Score 7 to 6.

H. B. Finch of the Minot Grocery Co., was here on business Tuesday.

Judge Goss went to Bottineau today to try several railroad condemnation cases.

A committee has been appointed to raise funds for building a Baptist parsonage.

Have your prescriptions filled at Blakey's by registered men.

P. V. McCoy returned from Minneapolis where he spent several days on business.

Rev. W. C. Hunter is at Bottineau attending an adjourned meeting of the Mouse River Conference.

Chattel mortgage blanks and blank notes for sale at this office.

Commissioners Richardson and Carroll with A. J. De Lance are traveling over the country south of Ross this week locating a new road south to the river.

John Boykle, age 20, and Miss Lencokon, age 21, Russians from McLean county were married Tuesday by Rev. F. I. Drexler. An interpreter was needed.

Major and Mrs. W. H. Makee of Kenmare stopped here Monday night while on their way to Grand Forks where the Major goes as a delegate to the Grand Lodge of Masons.

Helmar Benson, D. M. Shorb, Chas. Weed and Ernest Weed of Surrey are fencing a school section in 156-82, which they leased for five years and will run 150 head of stock on the same. It costs them about \$50 a mile to fence the land.

Harry Dalziel, a brother to the unfortunate young man, Lynn Dalziel, who was killed north of the city Saturday, arrived from Algona, Ia., Tuesday. Mr. Dalziel is engaged in the manufacturing business in Iowa and is one of the best hustlers of Northwestern Iowa. The young man's mother, Mrs. J. P. Moines and her husband, from Little Falls, Minn., also were here.

P. P. Lee is building a forty foot building just west of the postoffice.

L. S. Mallory, architect, Minot, N. D.

J. A. Ritchie assisted in adding 23 new members to Balfour's M. W. A. lodge.

Mr. and Mrs. B. A. Kendall are visiting the west and taking in the Portland fair.

Henry Auslander is contemplating building a fifty foot addition to his bakery building.

The base ball team of Ross will give a ball at Ross Friday night. All are cordially invited to attend. The Stanley orchestra will furnish the music.

The Minot Transfer Co. ordered a new covered baggage wagon, and when it arrives they have four fine rigs, representing several thousands of dollars.

Hurd & Mallory are putting in a full basement at the Windsor hotel. Mr. Hoellinger, the proprietor, is putting in his own sewerage system, has his own water works system and recently installed a steam heating plant. He has a small dynamo which pumps water and furnishes power for the washing machine.

If there is a business man in Minot who doubts that the INDEPENDENT does not have the largest weekly circulation of any paper here, we will give you the privilege of comparing our list with that of any other. We know what we are talking about and are not afraid to show up the goods "in broad daylight", so to speak.

Deputy Sheriff Kelly Tuesday served notice on the contractor in charge of the construction of P. P. Lee's new building, to stop work, as one of the city ordinances was being violated. Mr. Lee is expected home from his ranch to settle the difficulty. Mr. Lee evidently believes he has as much right to put up a wooden structure as any one else.

N. A. Kennedy has ordered a new well-drilling machine, and when it arrives he will be able to drill holes from two inches in diameter to twelve inches. He is now drilling a well for C. K. Brauer on the lot next to Blaisdell's. Brauer figures on putting up a modern brick block soon and will provide the building with water works.

Dr. Hubler Dentist, White Front Block, Minot.

George A. State of the Martin Jacobson hardware store, has secured the local agency for the Blickensderfer typewriter, one of the best machines on the market. The Blickensderfer is not in the typewriter trust, and can be sold for \$35. Mr. State will guarantee the machines to do just as good work as any \$100 machine. If you want to see the machine demonstrated, call at Jacobson's hardware store.

F. R. Marrs, the popular contractor announces that he will enter the employ of the Imperial Lumber Co., after this week. He will have charge of the construction of a number of sheds for the company along the Soo road, after which he will have charge of one of the yards. Marrs knows all about lumber he is honest and strictly right in all of his dealings. The Imperial Lumber Company needs just such a man as Marrs.

The New Store is getting ready for the Fourth and this week puts on a big sale of ladies, men's and children's shoes, men's clothing, women's waists and in fact they give good bargains in every line. This store has a neat, tasty line of good goods, up-to-date in every way, the boys simply won't let the stock get stale on their hands and this is the reason that their customers are always satisfied. The New Store's business is getting better every week.

### BURT

Mr. Hans and John Underdahl of Fros, Minn. stopped off at Minot on their return trip from the Pacific Coast, to visit friends and relatives residing in Burt.

The Ice-cream social given at the Somers school house Friday June 23 was a grand success in spite of the inclement weather.

A couple of Chatfield friends are visiting at the home of Mr. Henry Herzog.

The Burt base ball team is resting up until after the rainy season.

Ah! another mystery. Cowbells, tin horns, old shot guns, and anything that will produce a noise is being sought after. Wonder what is going to happen.

Mr. Ole Umderdahl has returned from the hills where he has been breaking for two weeks. He is glad to be on the prairie again.

H. P. Rygmyr who has been somewhat under the weather for the past week is again able to be out.

## FARM LOANS

May we make you a farm loan at a REASONABLE RATE?

We Will Assist You in Making Final Proof.

We furnish the very best BANKING FACILITIES.

UNIONNATIONALBANK  
OF MINOT.

Capital \$50,000.00

A good many people are locating in the vicinity of Ray, often 30 a day. W. D. Gillispie, the land man, has a number of fine farms upon which one may file.

I bought the entire output of brick from the Burlington yard and can sell you brick cheaper than you ever bought it for previously. D. A. DINNIE.

Gilbert Cox, son of C. C. Cox, returned from Wayne county, Ind., where he spent nearly a year with his grandparents. Gilbert has not enjoyed good health for a year or more.

Fred Almy, the veteran engineer, returned from St. Paul where he spent a year and will make Minot his future headquarters. Fred is glad to get back and his many friends are much pleased to have him with them again.

J. B. Otre is plowing 288 acres of sod for Gunder Reish:0 with a steam plow, nine plows on a gang. He plows 20 acres a day. Mr. Otre is a genius and invented an attachment which enables him to turn square corners in a field perfectly.

George A. Gilmore, who recently moved from Mohall to Portal, where he formed a partnership with W. N. Dickinson, of that place in the law and land business, was a Minot visitor Tuesday. Mr. Gilmore built up a very good practice at Mohall, but saw a better opening at Portal.

A. J. Senger, a Surrey farmer, has 288 acres of crops this year, 175 acres being wheat. There is no sign of rust in the wheat. He raised 4500 bushels of grain last year from 215 acres. From 118 acres of Fife wheat he took 2335 bushels. Some of it weighed 61 pounds to the bushel.

Good clean barrels for sale, all you want at Auslander's bakery.

L. A. Larson has returned from an extended business trip thru the east.

Frank Trumblee is building a new school building in Liberty dist. No. 70.

Olaf Lekkensgaard a south prairie farmer, is building quite an addition to his residence.

Mrs. Anna Hanslam is building a four room cottage. Hurd & Mallory are doing the work.

A. D. Fish is making seeds of money at his bowery near the Soo depot. He has a fine floor 48x64.

Nick Henderson will build a residence of cement blocks. He is building five frame residences for rent besides.

Owen Hecker returned from Sterling, Ill., where he was called by the serious illness of his sister who is slowly recovering.

Screens and Screen Doors at the Bovey-Shute Lumber Yard, Minot, N. D.

Miss Nellie B. Hathway gave a basket social at her home in Waterford township Tuesday evening for the benefit of the school district. An interesting program was rendered. The ladies brot well-filled baskets.

A low thief stole Officer Kimball's valuable black cane Friday afternoon. The officer hung the cane on the railing in front of the Leland hotel while he went below to collect a bill. When he returned the cane was gone.

A meeting of the Threshers' Association of Ward county will be held at Edwards, Wood & Co.'s office July 4th. All threshers are invited to call at any hour of the day.

By ORDER OF COMMITTEE.

## McKinley Township

Plenty of rain now. Crops are looking fine.

Did anyone see that new mail wagon that travels in McKinley Township?

Jos. Carlson has just about completed a new barn for John Lee 54 by 74 ft.

R. C. Peterson is still breaking.

John Helset road supervisor is still fixing up the public highway.

H. E. Smith had one of his best mares badly cut in the wire last Sunday.

Mrs. O. W. Johnson from Markkille is visiting with her parents Mr. and Mrs. C. E. Smith.

Hans Skaug is breaking for Andrew Balrud.

Alfred Ledger is working in the Burlington brick yard.

The Smith boys was seen making hay last week, the grass is quite large already on account of so much rain.

Miss Cora Laymen and Miss Ava Gabriel were visiting with Miss Etta Smith Tues. afternoon.

Jourgen Olson has a sample of brome grass procured from Post Master Humphreys of Lynch. It is nearly three feet tall.

## WELL KNOWN CONTRACTOR.

Geo VanTuyt, the well known contractor, has opened an office under the INDEPENDENT office. He is one of the best brick contractors in the west and will make a specialty of putting up brick buildings.

Residents of the southern part of the city, especially on the south hill, have grown weary of cattle browsing on their lawns and gardens, and have begun putting the cattle in the pound. A number of residents believe that it is the duty of the residents to fence against cattle, but such is not the case. A state law and city ordinance plainly puts the matter in a different light.

McJannett, the furniture dealer, received two full car loads of furniture this week everything from the cradle to the coffin. Mac always has a good line of goods and his business is growing every day.

The remains of Lynn Dalziel were shipped to Nachusa Ia. Tuesday night. The heart broken mother accompanied them to the old home.

R. C. Sanborn was summoned to appear in Fargo in the United States District court in some land case, this week.

Tired out, worn out woman cannot sleep, eat or work; seems as if she would fly to pieces. Hollister's Rocky Mountain Tea makes strong nerves and rich red blood. 35 cents, Tea or Tablets. W. B. HAWLEY.

R. W. Jones is attending a coal dealers' convention in Duluth this week. Over 1500 coal yards are represented and Billie is having the time of his life.

Remember, that the INDEPENDENT has a larger circulation than any other paper in Minot and in some localities in this vicinity. The INDEPENDENT has five times as large a circulation as all other local papers combined.

The New Cash Grocery store has arranged for a special sale of goods each Thursday. The proprietors are meeting with greater success than they anticipated for the short time they have been in the business.

EYES—C. G. Megg, O. S. fits all kinds at the Dakota hotel after three p. m. July 8 and before 3 p. m. July 9. Age reading glasses, \$1, \$2 and \$3. Under sixteen years, \$3.50. All prices in proportion.

NO COMMISSION.

NO BONUS.

JOURGEN

MONEY!

MONEY!!

To Loan on Farm Land.—Land Bought and Sold,

I have several eastern buyers coming within a few weeks or perhaps days and wish to list considerable land in the vicinity of Glenburn, Lansford, Deering and Minot. When I say I have buyers coming they will be here and I will guarantee to sell your land for you if your price is reasonable. Let me know what you have to offer. Section or half section tracts are preferred.

I am also making more farm loans than ever before. Why? Because my terms are the best and interest the lowest. See me before you make your final proof or loan.

OLSON

NO DELAY.

JOURGEN OLSON,  
The Land Man,  
INOT, - - N. D.
