Announcement.
For State Auditor.
To the People of the State of North Dakota, to Every Newspaper within the State, and especially to the Republicans of the State of North Dakota:
I am a candidate for the office of state auditor.
I am a Republican and shall abide by the action of the Republican voters at the primaries in June next.
As auditor from Cass county from January, 1897, to March, 1903, I have gained some knowledge of the work connected with this office and refer to my official work as such county auditor as a criterion.
The state auditor is the bookkeeper and accountant for the state. He is a member of all the important boards, needing his constant attendance.
If elected to the office of state auditor, I promise to make Bismarck, the capital city, my home during my term of office and to personally supervise and direct the work of the office, and in all matters coming before me as state auditor, or, where as such I have a voice, I shall deal honestly and justly, bearing in mind the welfare of the people of the state.
Respectfully,
—O. J. Olson.

I have lived in the state of North Dakota for over twenty-six years and have a thorough

knowledge of the needs of our people. Should I be nominated and elected, I will use my best efforts for the best interests of all of the people and all parts of the state.
—L. B. Hanna.

—Peter Fugelso,

Announcement.
I hereby announce my candidacy for the Republican nomination for member of the House of Representatives of the Legislative Assembly of the state of North Dakota for the 29th District at the primary election to be held on June 24th, 1908.
I have no particular pet theories, except that I am a Republican because I believe that no other party has written so many glorious pages of history as the party of Lincoln and I believe it is today the party of the people as it was at the beginning.

I also believe that Theodore Roosevelt is a worthy successor to the noble line of his predecessors. I also believe that the Republican party is the party of Progress and achievement, a party of young men and men not afraid to meet responsibility.
If nominated and elected, I shall endeavor to carry out the Republican party principles as interpreted by Theodore Roosevelt during the past seven years. I believe that today there is a rising tide in human thought which tends to honesty and a square deal to every man, and if elected, I shall endeavor to promote the enactment of just laws and an economical administration of the state affairs. The Ward county farmer is almost universally the owner of the farm he tills. He should dominate and control the political and economical affairs of the district because he is the mainstay and upon him the burden of taxation must fall heavily. For some reason the farmer's taxes are unreasonably high and I am in favor of our state revenue laws, the creation of a tax commission to the end that all classes of property be taxed fairly and honestly.

I believe that the permanent and substantial growth of this region justifies the belief that instead of making a large appropriation for the enlargement of the normal schools now in state, Minot should have a well equipped and up to date normal school; that it is the duty of the next Legislative Assembly to take the necessary steps to bring this about. If nominated and elected, I pledge myself to subordinate other matters to the carrying out of this idea.
If successful, I shall consider it a paramount duty clearly entailed to be always active and vigilant in season and out of season to safeguard the rights of all the people of the 29th Legislative District.
—H. J. Schull.

I am a candidate for the office of representative in the State Legisla-

ture from the 29th Legislative district, Ward county, N. Dak., and seek the support of the Republican voters of the district at the primary election June 24th, 1908.

If elected to the position I shall serve the people to the best of my ability.
—Mark M. Chatfield,
Minot, N. D.

Announcement.
Des Lacs, N. D., April 6, 1908.
To the voters of the Twenty-Ninth Legislative District:

I hereby announce my candidacy for representative for the state legislature subject to the decision of the Republican voters at the primaries to be held in the various voting precincts on June 24, 1908. If nominated and elected, I pledge my vote for United States Senator as expressed by the people themselves, and further pledge my vote as a member of the legislature to work in the interests of the taxpayers and home builders of my district. The city of Minot is entitled to her just share of representation according to taxable property, but no more. This district is entitled to one state senator and three representatives and at least two representatives should be from outlying precincts. As a republican I ask for a "square deal" that the farmers of this district be given equal representation with the City of Minot.
ALBERT J. SCHMIDT.

To the Voters of the 29th Legislative District:

Respectfully,
W. J. CARROLL.

For Judge of the District Court.
On request of a great many friends, I have concluded to become a candidate for the republican nomination for district judge of the eighth judicial district. I solicit your support and assistance.
L. J. PALDA.
