The enthusiasm that this great bargain sale is creating is the talk of every man, woman and child in the country. Never before have the people witnessed such big crowds attending a sacrifice sale in this part of the state. It is a well-known fact when this reliable firm informs you they are going to sacrifice their entire line of spring and summer stock they always fulfill all promises they make. Truthful advertising, explaining big values, creates a demand for merchandise in this present century. We regret very much that we were not able to wait upon the vast crowds of people the opening day of this great money-saving event, altho we secured all the available extra clerks that we could employ and we sincerely hope to be able to handle the large number of people who will attend this sale daily, in a satisfactory manner the remaining days of the sale.

Sensational bargains we are offering of new, up-to-date merchandise. Big crowds of people from all parts of the county visited this great bargain sale and all will attest the genuine bargains they have received. The by-word seems to be from each purchaser "What Snaps You Can Get Here! This is a Sale of Sales!" Good, logical, bold facts, told in plain figures that do not lie. Thousands of dollars worth of high-grade spring and summer merchandise that is worth its original price, but must be closed out at a big sacrifice.

Most of our immense stock is high-grade spring and summer merchandise. We bought too heavily this season, the manufacturers refused to cancel the orders. They have arrived, overloading our store with big bargains. We must sell the goods. To effect this, we have cut the prices unmercifully regardless of loss. This sale will prove a triumphant business achievement which will reduce cost to an absolute minimum. Beautiful assortment brimful of latest styles and effects. Our store leads as the best and most economical mercantile center of high-class merchandise, emphasized in every item in all departments of our well-stocked store. This will be the greatest slaughter of merchandise on record. The extremely low prices will astound the public in general.
