The Wonder of the Old World

A revelation in America. "Go thou and do likewise" is the expression of every man, woman or child on the face of the earth who has used Irish Liniment. In other words, they say to the sufferer: "Do as I did, get a bottle of this wonderful article and change the word 'misery' to that of 'happiness'."

Remember, for Rheumatism, Ecsema, Lumbago, Gout, Neuralgia, Burn or Sprain it has no equal, if directions are followed according to our booklet that goes with each bottle, or money positively refunded by your druggist. For sale by MINOT DRUG CO.

P. S.—Irish Liniment was prescribed by Dr. DeCoursey, who, in his day, was the best known man in Ireland.

W. S. SHAW, Owner

C. A. Bugge, the well-known Burlington merchant, left Monday for a two months' visit in the west. He will visit the Seattle fair and will take in the other interesting points. Mr. Bugge who has been in the general merchandise business in Burlington for a number of years, recently sold the half interest in his store to E. A. Madsen, a well-known young Burlington business man, who will look after the business during his absence. Mr. Madsen is very well liked. He's a good square fellow and most progressive. The business of the store is in good hands.

FOR SALE—Four head Jersey cattle, two cows grades, and one Registered, and one Registered Jersey bull. All cows milking, and all cows bred in April, 1909, to this bull, and supposed to be safe in calf. All animals young, and said bull an exceptionally fine individual. Anyone wishing to build up a first class herd of dairy cattle, should by all means see these animals, as I had selected them with a view of building up a first class herd for personal use, but on account of an intended move from the country, will offer them for sale, at a very great sacrifice price.

Money-savers—that's just what we have for you men.

We have a nice line of everything in ready-to-wear garments and can sell you at about half what our competitors ask. Why? Well, that's easy. We don't have the expense that our competitors have. We don't pay the high rent, don't pay a lot of expensive clerks, and can well afford to accept smaller profits. Of course we have to have a little profit. The fellow who sells all the time for less than cost would soon go broke. But you will be surprised to learn how reasonable our prices are. Here are a few of them:

UNDERSHIRTS	SUITS	SHOES
FROM 35 cents and up.	\$5.00 and up.	\$1.60 and up.
SUIT CASES	OVERALLS	TIES
\$1.00 and up.	35 cents and up.	25 cents and up.
SOCKS A rattling good pair for 3c	HANDKERCHIEFS Large red, blue or white ones, 2 for. 5c	

I clean, repair and press clothing, also loan money on anything. I do a square business. You'll agree with me, after we've once done business.
