NEW MACHINERY

The disposition among the farmers this year is to get along with the old machinery if it is possible to fix it up in good working order. However, if the old machine will do no longer, we will be pleased to give you a good deal on anything you need. We are always well supplied with the very best lines of farming machinery. We are an old established business concern and if it were possible to secure better lines we certainly would do so.

Babe Has Good Home.
Several weeks ago a baby girl was born at the hospital, the poor little mother being an unsophisticated young woman not more than sixteen years old and the father a faithless young wretch. The child, a beautiful little babe, has found an excellent home in the city with a young married couple.

NATURE TELLS YOU

AS MANY A MINOT READER KNOWS TOO WELL.

When the kidneys are weak, Nature tells you about it. The urine is nature's index.

Infrequent or too frequent passage. Other disorders suggest kidney ills. Doan's Kidney Pills are for disordered kidneys.

Minot people testify to their worth. Mrs. L. J. Smith, 1 Phillips Court, Minot, N. D., says: "I suffered for a long time from stiffness and lameness in my back. I had sharp shooting pains through my kidneys and a dull, bearing-down pain through my loins and limbs. I had headaches and dizzy spells. The kidney secretions were in bad shape. Of course, I tried kidney medicines, but found no relief until I began using Doan's Kidney Pills. They went to the right spot and removed the cause of complaint. I haven't been bothered in that way since I took Doan's Kidney Pills about eight years ago. About three years ago I publicly endorsed Doan's Kidney Pills, and I am glad to do so again."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

LARGE CROWD AT CLAM BAKE

NEARLY A HUNDRED FROM MINOT ATTENDED ENJOYABLE ANNUAL AFFAIR AT THE TALMADGE RANCH NEAR TOWNER SUNDAY.

A crowd of more than 200, about half of whom went from Minot, attended the annual clam bake at the Talmadge ranch two miles north of Towner Sunday. Several auto loads from this city, besides more than fifty members of the Knights of Pythias and others journeyed from Minot to the beautiful ranch on the Mouse river where the day was enjoyably spent. A fine spread was served at noon to the hungry visitors, consisting of baked clams, roasting ears, sweet potatoes, fried chicken, hamburger and other refreshments.

The Talmadge ranch is one of the very finest in the state and the visitors enjoyed looking over the beautiful place. Mr. Talmadge has an especially fine lot of hay this year and his cattle appear in the pink of condition. The only mishap of the day occurred when Joe Rowan stepped off the bank into the murmuring Mouse.

CADILLAC RACING CAR GOES IN DITCH

AFTER TRAVELING 454 MILES OF THE 622 AROUND THE STATE, AUTO PLUNGES OFF NEW GRADE — MINOT MAN JUMPS INTO SLOUGH.

The Cadillac 45 horse power racing car which passed thru Minot Saturday on its sensational drive about the state, went into the ditch six miles from Carrington that afternoon at 5:30 o'clock. The machine was badly wrecked and was unable to proceed on its journey. All was going well with the car and the driver expected to arrive in Fargo at 9:30 or 10 o'clock that night, ahead of schedule time, when a water wagon was met on a new grade. The driver of the wagon turned out as far as possible and signalled for the machine to come on. When opposite the wagon the machine started to slide off the grade and H. F. White, formerly of the Reporter, who was accompanying the machine to Fargo, feared that he would be injured and jumped. He landed in a slough and was completely ducked. Driver Rickford turned the machine squarely down the grade and saved the other occupants of the car from injury but damaged the machine.

The auto started from Fargo at 4:04 o'clock Saturday morning with W. H. Horton at the wheel. The run to Devils Lake was made in a little over 4 hours, the exact time of arrival being 8:28. Wm. Redmond relieved Horton at Devils Lake and brot the machine into Minot at 12:33, on schedule time. A quarter of a mile from Minot a gasoline feed pipe sprung a leak and an air valve became damaged. Repairs were made and the machine left Minot at 12:51, 15 minutes behind schedule. The machine had the right of way and was not compelled to slow down passing thru towns. The machine ran onto a sidewalk on East Valley street and missed a telephone pole by a fraction of an inch, while going at the rate of 50 miles an hour or better.

An effort was being made to cover 622 miles from daylight until dark and this would have been accomplished had not the mishap occurred at Carrington. This would have no doubt made a new record in a cross country run. At the time of the accident, the tourists had made 454.8 miles in 13 hours and 20 minutes, 33 1-2 miles an hour including stops. The best time was made by Horton driving from Fargo to Devils Lake.

Manager Horton may make another attempt later. The Cadillac made a great showing.

THE MCCOY'S RETURN FROM NEW YORK

PAUL V. MCCOY SPENT SEVERAL WEEKS SELECTING FALL STOCK FOR THE BIG STORE—SECURED MERCHANDISE AT TEMPTING PRICES.

Mr. and Mrs. Paul V. McCoy returned Monday from New York City and other eastern points where they spent six weeks. Mr. McCoy spends considerable of his time in the east buying for his store and on this trip bought unusually heavy, in anticipation of a big fall business. He secured the merchandise at tempting prices and will price it accordingly. Considerable of the stock he purchased has arrived and is now on display, the whole store appearing unusually pretty.

Mr. McCoy states that the recent trouble in Minot was watched carefully thruout the east, the New York papers containing lengthy accounts of the affair.

Mr. McCoy found conditions very prosperous in the east, there being not the slightest semblance of a financial stringency predicted some time ago by certain capitalists. Business firms look for conditions to improve if there is to be a change at all.

DORMAN'S RECALL PETITION IS FILED

CITY COMMISSIONER IS CHARGED WITH BEING INCOMPETENT AND WITH ALLOWING LAWS OF CITY TO BE OPENLY VIOLATED.

A petition to vote upon the recall of D. C. Dorman, city commissioner, was filed with the city auditor Saturday afternoon. The commissioner is charged with being incompetent and unfit for office, lacking in general business ability and moral qualities necessary for the fulfillment of his duties, and with allowing ordinances and laws of the city to be openly and flagrantly violated.

Action will probably be taken Monday night. Petitions to recall Commissioners Davis and Shaw and City Magistrate Lynch have been filed and the city auditor is checking up the signatures to see that all are genuine voters.

When these I. W. W. harvest hands are thoroughly organized and make the farmer and thresher pay \$5 per day for value not received will they (the \$5-a-day men) get the coin, or will Cannon and the rest of the men higher up fatten on the proceeds? How much will the initiation fee be, and what the dues in this high and noble order of the I. W. W. Works? Might as well bring on the sacks now and have them ready for the time when the snipe-drive begins, "youse guys."—Triega Gazette.
