SCHOOL REPORT.

The First Month of the Fall Term Closed Successfully Last Friday.

The report of Langdon city schools for the first month of the fall term, ending October 13, shows an enrollment of 205 scholars, a large per cent. of them being credited as perfect in attendance. None of the six rooms have yet received their full quota of those who will attend during the winter and it is probable the enrollment before another month will crowd up close to the 300 mark, as many of the younger teachers of the county will come in after their schools close for the winter.

How to Prevent Croup.

We have two children who are subject to attacks of croup. Whenever an attack is coming on my wife gives them Chamberlain's Cough Remedy and it always prevents the attack. It is a household necessity in this country and no matter what else we run out of, it would not do to be without Chamberlain's Cough Remedy. More of it is sold here than all other cough medicines combined.—J. M. NICKLE, of Nickle Bros., merchants, Nickleville, Pa. For sale by N. E. McGruer.
