SUPPLEMENT.

FRIDAY, APRIL 2, 1886. Pembina County Health Board.—A

Synopsis of its requirements. aken from the minutes of the Pembina infectious diseases among persons or papers please copy.) domestic animals.

1st. To make and enforce any necessary rules and regulations for the prevention and cure, and to prevent the spread of any contagious, infectious or malarious diseases among persons or domestic animals

2nd. To establish quarantine and isolate any person or persons afflicted orders on hand to a considerable extent, with contagious or infectious diseases. 3rd. To remove, isolate or kill any send in early before the rush of work for animal afflicted with contagious or infect the coming winter closes. At the Old tious diseases.

4th. To remove or cause to be removed any dead, decaying or putrid body or nealth of persons or domestic animals. food that may be offered for use.

following several boards of health in the given on application either in person of cities and towns in Pembina county. Rule 1st. Applies more particularly to our county, cities and towns, and to the thorough fulfilling of the ordinances of these places as follows: All privies, cessthe beginning of May to November of When she had children she gave them CASTORIA each year and shall be thoroughly dis-

inficted as often as once every month. No privy or cesspool shall open into my stream, ditch or drain, except com-

No sewer drain shall empty into any for culinary purposes, nor into any standing water, within the jurisdiction of this 14 days sooner than Scotch fife. board.

No house offal or dead animal matter, shall be left in the streets of any city or town, and sellers and venders of merchno refuse on the streets of any town or tution, headache, or any disease of a public highway, or any animal matter bilious nature, by all means procure a of ground, within the jurisdiction of this surprised to see the rapid improvement board, and all putrid and decaying anithat will follow; you will be inspired with mal matter must be removed from all new life; strength and activity will return; cellars and out buildings on or before pain and misery will cease, and hence-May 1st of each year.

house offal, are required to have the same removed as often as twice a week between May 1st and Nov. 1st of each year, and all keepers, owners and occupants of stables or barns are required during the same season to keep the pre-DAKOTA. themselves liable to a heavy fine. All guaranteed to give perfect satisfaction, or residence and burned. And all vegetable Gruer. refuse shall be removed same distance

All hogs kept inside the corporate limits of any town must be inclosed in mediately to the administrator of his ly and freely washed and disinfected.

This board will remove or have removed through local board or some person appointed, any animal or animals or other nuisance at any time, when such appear to be prejudicial to the public health, safety and comfort.

Rule 2nd. Applies when information shall come to the board of the presence of any contagious or infectious diseased among persons, the superintendent of healthshall himself, or through the person appointed, visit such and have all diseasedand suspected parties placed in quarantine, until such time when the county board shall see fit to have them removed

otherwise disposed of. Rule 3rd. Applies, to diseased animals Any person owning or having in costody any animals known or suspected to be suffering from any contagious or infectious lisease (more particularly Glanders or farsy), shall at once notify the superintendent of health at Pembina of the same, and any person resident, passing or visiting the county attempting to secrete or use deception in keeping such animal the board shall upon information have the anaimals quarantined and disposed of according to rule 3. The owner shall be placed under arrest, pay all

charges and costs and be tried crimin-Rule 4th. Applies to all dead and decomposing heaps of either animal or vegetable matter: To the obstruction to the natural channel of streams or creeks and so form cesspools and ponds, public nussances when the germs of disease find an

existence and multiply.

Rule 5. Applies to any and all articles of food offered for sale within the borders of Pembina county, detrimental to the health of consumer. Parties committed a misdemeanor and find from \$50 to \$100.

Rule 6. That the county superintendent
