FRIDAY MORNING, JUNE 23, 1909.

Gasoline does kill dandelions.

The band goes to St. Vincent to-day to the picnic.

Ringling Bros. Circus is advertised to show at Grand Forks on the 4th.

Episcopal church, Pembina, evensong and sermon, Sunday night at 7:30 o'clock.

A hail storm passed through Hensel this week. Not much damage as there was but little wind.

W. C. T. U. meets with Mrs. Douglas this afternoon at 4 o'clock. A full attendance requested.

Quite a number of our citizens went to Walhalla yesterday and some will go to-day to attend the old settlers meeting.

The roll of the dead at New Richmond now number 125 and there are probably ten or more killed in the neighborhood.

There is a big picnic under the management of the Woodmen across the river at St. Vincent to-day. Everybody invited.

Say farmer man, if you waked up tomorrow and found your crop ruined by a hail storm you would wish that you had that crop insured.

Last Sunday a new time table went into effect on the N. P. It restores the old hours, comes earlier and goes later, viz 10:33 and 4:00 o'clock.

An exchange says that a genius has invented an "auto-saw-buck." The boy who has to saw the family wood auto call his father's attention to this.

Dave Hogg of Walhalla has been promoted to superintendent of the twenty-one lumber yards of the Robinson Co. and will move to Grafton.

Deputy Collector Robt. Morrison of the customs, attended the Grand Lodge of Masons at Fargo this week as a delegate from the local lodge here.

About 4,000,000 feet of logs were run down the Red River, passing here last week. They came from the Red Lake river and were going to Winnipeg.

A nice rain on Tuesday left about one-third of an inch of moisture for the grain, clearing off Wednesday with a cool west wind. Reports from crops are that they are in excellent shape.

The citizens of Grand Forks extend a hearty invitation to all their numerous friends to come and have a good time with them at their Summer Carnival July 15th and 19th.

A lawn social and open air concert next Wednesday, June 23rd, on the St. Vincent rectory grounds; supper at 6 o'clock; concert at 7 o'clock. Ice cream, lemonade and other refreshments.

Court adjourned Friday after getting through a large amount of business for the time spent. Judge Sauter intended to go to Des Moines, Iowa immediately as his father-in-law was lying very ill.

The railroad commissioners were in the city yesterday. No kick coming on the N. P. Editor Pierce of the Grafton Record was along and made us a fraternal call in company with Sec. Stickney.

The Icelandic Lutheran synod meets at Hallson, N. D., on June 23. One of the chief matters to come up will be the location of the proposed Lutheran college, in regard to which Winnipeg is believed to stand in first place.

Fargo people promised the visitors at the fire festival a turkey, but later developments proved it a goose. Though all acknowledge that it was a pretty fair goose, still there's considerable kicking because it wasn't what was printed on menu.

The demand for hay land was not very brisk at the sale on Tuesday. Only \$64 was realized and \$29 was paid for one piece near this city that two men wanted, or perhaps, didn't want the other to have. The county treasurer will lease any vacant quarters remaining at \$2.50 to applicants.

The Masons will attend the Presbyterian church on Sunday next at two o'clock p. m. Sermon by Rev. Mr. Hall. Lodge and visiting brethren requested to meet at the lodge room at 1 o'clock.

J. D. WINLAW, Secretary.

Tuesday a new tenant in the Webster block on Rolette Street kindled a fire in the cook stove. In setting up the pipe up stairs in the garret a section of stove pipe had been omitted. The result was a fire alarm, considerable smoke, the purchase of a new piece of pipe and the resumption of business after the excitement was over.

Mr. Henderson, the market gardener, completed his 82nd year last Saturday. Mr. Henderson has been a hard working man all his life, spending much of his time at logging and river driving on the St. Lawrence, but barring some rheumatism, is still in good preservation, and has this year put in about an acre of garden vegetables by himself.

Mrs. DeLisle has purchased the residence owned by Dr. Harris near the court house. The house has been rebuilt since it was burned last winter and is now the same as new and will make a comfortable and pretty home. Mrs. DeLisle moves to town to get near the schools for her boys. She will not move until December next however and in the meantime she would like to rent the house. Dr. Harris can give information.

School election on Tuesday was not very exciting. Aug. Short's name was withdrawn as his own successor and I. M. Chisholm was substituted. F. C. Warner was run particularly as a ladies' candidate and more than half the votes polled were by ladies. The result was Chisholm 29, Warner 49. One of the amusing things about the election was that Chisholm's candidacy was carefully concealed from him and he didn't know he was running until after the vote was declared. He thinks the boys rather put up a job on him. Mr. Warner will make a valuable member of the board.

In consequence of the change in the time table by the N. P. last Sunday without notice a serious accident was narrowly averted. Mr. and Mrs. Corbeil were intending to visit friends across the line and the train had started by the time they arrived on the platform. Mrs. Corbeil attempted to get on and very nearly fell between the cars and platform, but was rescued by a by-stander. We again repeat what we have often said before, that all changes of time by passenger trains ought to be published at least one week before they take effect, and if the railroads will not do it, then the law ought to make them do it. It is a matter that the travelling public have a right to know for many reasons of convenience and business.

Your
Last
Corset.

And where it came from does not concern us in the least. It's your next one we are interested in. Some ladies buy a corset like they do a wash bowl, and pay no more attention to its details. Corset style without corset comfort is a bad thing for any woman. There are important changes from time to time in the styles of corsets, but not all merchants follow the changes closely. We do. The natural result is, our corset trade grows larger and larger every month. We can serve our corset customers just as well as the city merchant, and at less expense and bother to them.

We sell the

F. C. CORSETS,

and they are always Satisfactory. If we didn't have faith in them we would hardly make you this

PROPOSITION:

Take one of our F. C. Corsets at \$1.00, wear it two weeks.

NEW

WAIST.

If, at the end of that time you are not perfectly satisfied with it, return it and get your money. Do you want any thing fairer than that? We say a \$1.00 corset because that's the popular priced corset. We have them from 25 cents up. You'll make no mistake if you get your next corset at

Shore's
Satisfactory Store.
