sion to the Lakes, and the Sharpshooters scene-a mother manimute, a daughter Picnic, to come off on the Fourth, we hear dead! of no other arrangements for a commenceration of that day. Well, perhaps 'tis as well. All the rights, privileges, and institations, brought into practical existence Betts, with fatal precision, fired into himand dedicated to the American people hav- self and died instantly. and about passed away, it is well, perhaps, that a celebration of the anniversary of Chelmust, yesterday, Judge Leavitt, of the day itself, should be suspended.

street, just evening, we mer a nule and fe- untary bankruptcy, to the following effect male of the African persuasion in most carnest, and, we thought, pretty load conversation, about domestic affairs. Sambo, same referred to the Register of the Conas we may call hom, had his unbrella under gressional District in which the petitioner his arm, and his place hat planted upon resides; notice shall be given, of not more his arm, and his "plug hat" planted upon the sirs of a Broadway dandy, was laying when the bankrupt shall appear before the down in impressive language, with significant gestures, the law of his household to the female gender walking at his side, re- process, sign the same, affix the Court lative to a gal of the same colored persua- scal thereto and hand them to the Register, ion who had for some time been kind of who is to counter-ign them. hanging round without doing any work, except with knife and fork when at table, paring and Issuing such process to the and "pork and beans" were to be disposed nf. Said Sambo:

"Dis here can't go on much longer, paid. Dar's no use talkin; sumiln's got to be did. I isn't gwine to keep that gal 'bout my stablishment less she do sum work, or You know she's no business lazin' round dar and doin nufflu. " "Yes, 1 knows dat, but wat kin she do?" "Wat kin she the? You knows well as I do. Luce, dat dat gat can do most anything also at least once in some local paper print-she's mind to put her hand to. She can wash. an' iron, an' serab, an'-an'-an'-1 tell you she's got to do suffin, she has. "I knows dut, I knows dat, Sam"-and we lost the balance of Luce's reply in the disrance. But we had heard enough to satisfy timental base ball tournament, to take place as that there was something wrong in Africa, and that great accessity for "re-gust, and continuous week. Competition Africa, and that great necessity for 're-construction' existed, and it might be is open to all players in the United States confiscation " would be necessary before the matter was ended.

As there is no Bureau agent here, the idea suggested itself that we write to That stevens. Summer, or some other "cuss" of the Rump, to have a Bureau agent or bets.

12. There were to be seen, yesterday, in ter, perhaps, a committee of investigation, Cincinnati, promenading a fashionable with Jim Ashley as chairman, to ascertain street, arm-in-arm, General Thomas Kilby the cause of all this trouble in this African Smith, late of the Federal army, and Gentousehold; and if necessary send Phil. eral T. Kirby Smith, late of the Confeder-Sheridan or Dan. Sickles, to remove the ob- ate army. This is a kind of practical refew thousand, and the people could be taxed differences and be friends, even if politian additional mill or two on the dollar.
