GOOD NEWS AT LAST!

LET THE AFFLICTED READ!

And learn that a perfect and radical cure is warranted and guaranteed to all who are afflicted with weakness, debility, nervous complaints, melancholy thoughts, depression of spirits, distress and anguish of mind, loss of sleep, loss of memory, loss of energy and muscular power, growth, wasting away, and a want of confidence in themselves, fainting fits, convulsive tremblings, impotence and disgust of life.

HEAR WHAT THE MEDICAL PRESS SAYS.

Some physicians require to be told the nature of your disease—the ENGLISH BOTANIC PHYSICIAN does not. His perfect knowledge of the human system enables him to describe the disease without any information from the patient, to explain its original cause, and to guarantee its cure. And, what is more valuable still, he will honestly and frankly tell whether you can be cured or not. This will satisfy your mind, and save you expense, time, trouble, and disappointment. It will be the means of saving you many a dollar; it will save your health, and, what is better than all, it will save your life from being shortened by wrong treatment.

His examinations are made without any information from the patient; therefore he thoroughly understands their Physical condition and Phrenological development, without which he never could have performed so many astonishing cures. It should be remembered that this Botanic Physician performs cures thought impossible.

If you have tried others and got no relief, if you wish to enjoy good health and long life, if you are wise, you will go and consult DR. RAPHAEL, the Botanic Physician.

All his communications and interviews are strictly private and confidential.—*Medical Journal.*

FACTS ARE STUBBORN THINGS!

Hear what the Philadelphia correspondent says in the Commonwealth, Wilmington, Delaware 8th of April, 1859:

"An English gentleman, formerly connected with the British Army, and who styles himself 'English Botanic Physician,' has of late gained a extensive reputation here by his skill in curing all manner of complaints. Some of his patients I have conversed with, and they pronounce his remedies and mode of treatment as very superior. Some have been restored by magic. The medicine he used is distilled by himself from various herbs possessing rare curative properties.

"While acting in the army he devoted his leisure moments to a thorough study of the effects produced by certain medicinal roots and herbs on all manner of diseases. It seems he has found a sure and speedy remedy for all the 'ills that flesh is heir to.' His practice is already extensive, and is daily increasing. In the complaints to which females are subjected he has no equal, as a large number here have testified that they owe not only their present good health, but their lives, to the skill of this English Botanic Physician." His office is at

No. 59 EAST FIFTH STREET, CINCINNATI.

MORE GOOD NEWS!

FROM HIGH AND RELIABLE AUTHORITY.

The Botanic Remedies of Doctor Raphael, the English Botanic Physician, never failed yet to make a perfect, radical, and permanent cure of ALL

PRIVATE, SECRET, AND VENEREAL DISEASES,

Without the use of Mercury, without hindrance from business, and without fear of discovery or exposure. No deadly poisons, such as arsenic, nux vomica, opium, or any other poisons. No mercury nor any deadly minerals—nothing but purely Vegetable Botanical Remedies are used by this wonderful Botanic Physician. His Botanic Remedies never yet failed to cure the most obstinate and the most dangerous cases, and to remove all mercury and other impurities from the system when all other Remedies has failed.—*Medical Journal.*

GOOD NEWS FOR SINGLE MEN CONTEMPLATING MARRIAGE.

Hear what the Baltimore correspondent of the Odd-fellow, Boonsboro', Maryland, said on Thursday, the 31st of May, 1860:

"Numerous cures of diseases caused by early indiscretion having been performed by the English Botanic Physician, I feel it my duty, having a knowledge of them, to state the fact, believing that in doing so I may do a service to the suffering. One case in particular—that of a young man in this city—is worthy of note. He had become the victim of a habit, the mere allusion to which causes a shudder, and after years of suffering and doctoring gave up all hopes of recovery. He wished to marry, and was dearly beloved by as sweet a girl as ever lisped words of affection, but he was fearful, nervous, and prostrated. He dared not wed on account of the shattered state of his system. He sought relief at the hands of the Botanic Physician, and, astonishing as it may seem, all the bloom and vigor of youth has returned, and he is now the happy father of a pair of bright boys."

GLORIOUS NEWS FOR THE LADIES. A PREVENTIVE TO HAVE CHILDREN.

Hear what the Cincinnati Weekly Press says on the 6th of March, 1858:

We are decidedly opposed to drugs and to advertised remedies for the prevention of having children, but we feel it our duty to acknowledge a benefit from any and from every source when it is for the relief of suffering humanity. A fact has come to our knowledge that ought to be promulgated and widely circulated for the benefit of those ladies whose delicate health makes it necessary to prevent any increase of family.

About twelve months after marriage, a lady of our acquaintance gave birth to a daughter, but her sufferings were so great that her physicians despaired of her recovery. This made her dread the very thoughts of again becoming a mother. She tried every thing to prevent a repetition of her sufferings, but without succeeding. Two years after marriage she was again confined, but her sufferings were so great that the child died, and her own life was despaired of. She was told by her family physician that if she had any more children he feared her life would be the forfeit. As all the remedies she had tried before had failed, she applied to the Botanic Physician, Dr. RAPHAEL,

No. 59 EAST FIFTH STREET, CINCINNATI,

FOR HIS

PREVENTIVE TO HAVE CHILDREN.

His remedies had the desired effect; they not only prevented her from having children, but they also improved her health. "TO THE PURE, ALL THINGS ARE PURE."

The Botanic Physician's remedies can be recommended, because they are innocent and safe. They operate without causing sickness or exposure. They do not interfere with the diet or occupation. They do not injure the health, but they are certain in their effect. J. PANCOAST, M. D. M. METIGS, M. D.

DIARRHŒA AND PAIN IN THE BOWELS CURED.

Carthage, Hamilton Co., O., Nov. 26, 1859.

Dr. O. E. Baker,

Much Esteemed Friend:—I have had a severe attack of Diarrhœa, attended with severe griping pains, and was reduced very low. I tried many different medicines, but all to no purpose, until I got a bottle of your Pain Panacea, and commenced its use. The first dose put a quietus on the griping pains, and I had not used two twenty-five cent bottles before I was entirely cured. I also recommended it to a friend, who was attacked with cramp colic, and suffering with excruciating pains, and three doses entirely cured him.

W. D. BARRY

Prattsville, Winston Co., O., Aug. 5, 1859.

Dr. O. E. Baker,

Dear Sir:—I have this day sold the last bottle of DR. BAKER'S PAIN PANACEA. I should have written to you sooner, but was expecting to sell the good supply I had on hand. During the last week, however, my sales have been four times as large as any week since I have had your invaluable medicine, and the demand is still increasing. I have never sold a medicine that sustained so high a reputation. The Lung Fever, Cholera Morbus, Cholera Infantum, Bilious Colic, Cramp Colic, and Flux, have been very prevalent in this vicinity the past season, and the Pain Panacea has not failed to cure in every instance where it has been tried, so far as I have heard. Please send me a large supply as soon as possible.

Very respectfully, yours,

H. W. STODDARD

A SUPPOSED CANCER CURED!

Messrs. A. L. Scovill & Co.—*Gents.*:—Mr. John Bradley, of Bath Co., Ky., has on his hand a VERY BAD SWELLING, which he thought INCURABLE, having been there for years. He also had on his cheek bone, what he supposed to be a CANCER, and could obtain no relief until he used Dr. BAKER'S PAIN PANACEA, which cured him of that disease, and also the swelling on his hand. This medicine is thought so much of that EVERY FAMILY in our neighborhood, *keep it constantly on hand.* In fact, it is the *best medicine for the diseases it is recommended for*, that we can get.

SCRATCHES CURED.

Dr. Baker's Pain Panacea Valuable for Horses as it is for Man.

Messrs. A. L. Scovill & Co.—*Gents.*:—During the last winter, most all the horses in our vicinity were subject to Scratches. Having had on hand only two or three dozen bottles of Dr. Baker's Pain Panacea, in a few days I sold the entire lot, and could have sold much more, if I had had them, to my neighbors for that purpose. IN NO CASE HAS IT FAILED TO CURE. It is also indispensable in our neighborhood as a family medicine, for the various diseases for which it is recommended; and I will say that I have sold it for YEARS, WARRANTING IT, and HAVE NOW HAD A SINGLE BOTTLE RETURNED. IT IS THE BEST MEDICINE FOR THE NUMEROUS DISEASES KNOWN MANKIND, THAT I HAVE EVER SOLD.

AMERICAN TEA COMPANY

[Late Hall, Tea Store,]

Since its organization, has created a new era in the history of

Wholesaling Teas in this Country.

They have introduced their selections of Teas, and are selling at not over

Two Cents (2 cents) per pound above cost.

never deviating from the one price asked. Another peculiarity of the Company is that their Tea Taster not only devotes his time to the selection of their Teas as to quality, value, and particular styles for particular localities of country, but he helps the buyer to choose out of their enormous stock such Teas as are best adapted to his particular wants, and not only this, but points out to him the best bargains.

It is easy to see the incalculable advantage a Tea buyer has in this establishment over all others.

If he is no judge of Tea, or the market, if his time is valuable, he has all the benefits of a well organized system of doing business of an immense capital, of the judgment of a professional Tea Taster, and the knowledge of superior salesmen.

This enables all Tea buyers—no matter how they thousands of miles from this market—to purchase on as good terms here as the New York merchants!

Parties can order Teas and will be served by us well as though they came to themselves, being sure to get original packages, true weights and tares, and the Teas are warranted as represented

We issue a price list of the Company's Teas, which will be sent to all who order it, comprising

HYSON, YOUNG HYSON, IMPERIAL, GUNPOWDER, TWANKAY AND SKIN.

OOLONG, SOUCHONG, ORANGE AND HYSON PEKOE.

JAPAN TEA of every description, colored and uncolored.

This list has each kind of Tea divided into Four Classes, namely: Cargo, High Cargo, Fine, Finest, that every one may understand from description and the prices annexed that the Company are determined to undersell the whole Tea trade.

We guarantee to all our Teas are not over TWO CENTS per pound above cost, believing this to be attractive to the many who have heretofore been paying enormous prices.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which devastates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S
Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this everywhere prevailing and fatal malady. It is compounded from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only Scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE ROSE, or ERYSIPELAS, PIMPLES, PUSTULES BLOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "*impurity of the blood*" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

AYER'S
Ague Cure,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers, Indeed for the whole class of diseases originating in biliary derangement, caused by the Malaria of Miasmatic Countries.

We are enabled here to offer the community a remedy which, while it cures the above complaints with certainty, is still perfectly harmless in any quantity. Such a remedy is invaluable in districts where these afflicting disorders prevail. This "CURE" expels the miasmatic poison of FEVER AND AGUE from the system, and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where FEVER AND AGUE prevails, every body should have it and use it freely both for cure and protection. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is that it contains no Quinine or mineral, consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are *Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis and Derangement of the Stomach*, all of which, when originating in this cause, put on the *intermittent type*, or become periodical. This "CURE" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from intermittents if they avail themselves of the protection this remedy affords.

ALMOST ALL DISEASES ORIGINATE WITH

THE LIVER.

When the Liver is diseased the Bile becomes impure, and tends to derange the whole system. This impure Bile being thrown into the Stomach, causes a bad taste in the mouth, the Tongue being more or less furred, with, in most cases, dizziness and pain in the head. The Bile then passes from the Stomach into

THE BOWELS,

AND PRODUCES

COSTIVENESS, UNHEALTHY HUMORS,

AND AN

IMPURE STATE OF THE BLOOD,

and tends to close the pores of the skin, which organ becomes dry and husky. It also tends to impair the action of

THE KIDNEYS,

as will be seen by the color and quantity of the urine.

DR. MOTT'S
VEGETABLE LIVER PILLS

will promote a healthy action of the Liver, and will change this impure Bile to a healthy state. To prevent or remove the secretion of unhealthy bile, these Pills have a specific action on the Liver; after using them, the tongue will become smooth and clean, the taste will become natural, and digestion be rendered easy. The Pains in the Head, Back, and Stomach, will be removed. The Bowels will become cleansed and regular, THE BLOOD PURE AND HEALTHY, and the Urine natural.

Although these Pills are most searching in their action upon the whole system, yet they are harmless, even for the most delicate system, as they contain no Mercury or mineral in any form, but are composed entirely of vegetable substances.

LIVER COMPLAINT CURED.

Indianapolis, *October* 12, 1858.

Messrs. A. L. Scovill & Co.

Gents.:—I am hardly able to express my gratitude for the benefit which my daughter has derived from the use of Dr. Mott's Liver Pills. *She had* been troubled with what the physician called Liver Complaint; but our doctor failed to give her any permanent relief, although she tried his prescriptions effectually. She had become melancholy, unhappy, and her constitution was much broken down by the use of Mercury. She tried Dr. Mott's Liver Pills, and soon began to get better. I am happy to say that she has now entirely recovered her health.

Respectfully yours,

JAMES COBB.

COSTIVENESS CURED.

Urbana, Ohio, *September* 28, 1860.

Messrs. A. L. Scovill & Co.

Gents.:—I have been troubled with a torpid action of the bowels for six or seven years, which has been the cause of a great deal of suffering to me, and I had to deprive myself of many kinds of food, and used much oatmeal, etc., until I got Dr. Mott's Liver Pills, and find that they keep my bowels regular, and I now eat anything that my family does. I most confidently recommend these Pills to those who are troubled with constipation of the bowels.

Truly yours, JOHN FLEMING.

Cambridge, Ind., *Feb.* 5, 1858.

Messrs. A. L. Scovill & Co.

Gents.:—This is to certify that I have used Dr. Mott's Liver Pills in bilious attacks, and found them to be the best Pills that I ever used for that purpose; and I have also used them as a Cathartic Medicine, and have found but little use for a Physician since I had them in my family.

Yours, truly ASA FRENCH.

DYSPEPSIA, OR INDIGESTION.

This is generally attended with sour stomach, loss of appetite, nausea, flatulency, heartburn, costiveness, heat in the stomach when empty, a pain in the side, paleness of the countenance, languor, low spirits, disturbed sleep, pains in the head, &c.

Springfield, Ohio, *July* 1, 1859.

Messrs. A. L. Scovill & Co.

Gents.:—I have found Dr. Mott's Liver Pills one of the best medicines for Dyspepsia that I ever used. I had been afflicted with the disease for more than six months, and my victuals disturbed my stomach, often to such a degree as to cause vomiting. I was most of the time costive. I found that the Pills kept my bowels open, without griping or pain. I have actually gained in weight, since using them,—being ten pounds heavier than when I commenced. I owe my cure solely to use of the Pills.

GEORGE DANA.

BILIOUS FEVER CURED.

Portsmouth, Ohio, *April* 1, 1859.

Messrs. A. L. Scovill & Co.

Gents.:—I have been, for years, subject to attacks of Bilious Fever; and sometimes I have been laid up for months, and my system left in a feeble state by the use of strong medicine, which was given to me by my physician.

I have been using Dr. Mott's Liver Pills for some time. I find that I can break these attacks in a day or so, and escape entirely the fever. My daughter had an attack of Dyspepsia, which distressed her much; she could not eat scarcely anything without becoming nauseated at her stomach continually. Some time since she got and has been using Dr. Mott's Liver Pills, and she now is like another being. I have found also that they are the most valuable Pills for Breaking up Colds, Headache, Pains in the Side and Back. I would not be without them in my family.
