

CITY OF LANCASTER

THE FROST SPIRIT.

He comes, he comes—the Frost Spirit comes!
The may trace his footsteps now,
On the snowed woods and fields,
And the brown hills withered brown.

GENEAL WORDS.

It is not such the world can give
With all its subtle arts,
And gaudy games and toys,
To satisfy the heart;

TO WHICH STORY.

To which story, my friend here,
I have written the light radiance from
The face of Saint John;
'Take all the heroes,

PLAIN HINTS FROM A YOUNG FARMER.

'Tis said a word to the wise is sufficient.
Always take one or more agricultural
papers, for every number will give you
information which will benefit you in dollars.

FRUIT TREES SHOULD BE PROTECTED.

From the frost by spreading straw around the
roots which will protect the buds from
starting.

FEED YOUR FOWLS THE RIGHT WAY.

Give your calves, which you intend to
raise, a little fine hay; and as soon as possible
turn out to grass.

KEEP CLEAR OF SHANGHAIS.

Never lose more in one day than a month can
replace.

PURE WATER SHOULD BE APPLIED TO EVERYTHING.

Quality not quantity should be the maximum.

LOVER STYLISH—No longer a lover!
exclaimed a girl pouting.
'You have broken my heart!'
