Helmbold's Genuine Preparation

OF Highly Concentrated Compound Fluid Extract Buchu. For Diseases of the Bladder, Kidneys, Gravel, Dropsy, Weakness, Obstructions, Female Complaints, and all Diseases of the Genital Organs. Arising from Excesses and Impurities in Life, and removing all Improper Discharges from the Bladder, Kidneys, or Sexual Organs, whether existing in MALE OR FEMALE. From whatever cause they may have originated, NO MATTER HOW LONG STANDING, Giving Health and Vigor to the Frame, and Bloom to the Faded Cheek. JOY TO THE AFFLICTED!!! It cures Nervous and Debilitated Sufferers, and removes all the Symptoms, among which will be found Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Dis-ease, Weak Stomach, Trembling, Dizziness, Fear of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, Often Enormous Appetite with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Fallid Countenances and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Softness and Loss of Sight; Want of Attention, Great Morbidity, Restlessness, with Horror of Society, Nothing is more desirable to such patients than Solitude, and nothing they more dread for fear of themselves; no Remedy of Mercurial, no Earsness, no Spite, but a Hurried Transition from one question to another. These symptoms if allowed to go on—which this medicine invariably removes—soon follow LOSS OF POWER, FACULTY, AND EPILEPTIC FITS—in one of which the patients may expire. Who can say that these excesses are not unfrequently followed by those direful diseases, INSANITY AND CONSUMPTION? The records of the HOSPITALS and the melancholy deaths by CONSUMPTION, bear ample witness to the truth of these assertions. In the Lunatic Asylums the most melancholy exhibitions appear. The countenance is actually sallow and quite destitute—neither Mirth or grief, ever visits it. Should a sound of the voice occur, it is rarely articulate. "With woe-filled measures woe despair Low sullen sounds his grief beguiled." Debility is most terrible and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this INFALLIBLE REMEDY.
