BASKETBALL LEAGUES ARE FORMED; GREAT INTEREST IS TAKEN IN GAME

Many Teams Are Organized; Metal, Commercial, City and Interclass Are Some of the Leagues Already Lined Up; High School Teams Played Fine Games During New Mexico Trip.

BY J. G. BRANN.

MORE interest is being manifested in basketball this season than ever before in the history of El Paso. A. L. Holm has organized three leagues among the big fellows, with a soldier league in prospect, and four leagues amongst the boys. The Metal league, which has already played a number of games, is composed of the Copper Heads, Gold Bricks, Tin Horns and Lead Pipes. This league is composed of beginners and plays once a week, on Monday night.

The Commercial league, which started Wednesday night and will continue to play the same night each week, is composed of the Bryan Bros., Feldman, Walz and Shelton-Payne teams and contains some splendid players.

City League Delays Start.

The City league, which will contain the cream of local basketballers, will be composed of the High School, School of Mines, Y. M. C. A. and Cactus club teams. This league will start immediately after the holidays and will play its games on Saturday night. Amongst the boys there are the Bible Class league, which will be made up of two teams from the older boys and two from the employed boys, and the Junior, Older Boys and Employed Boys' leagues.

The teams in this league bear the names of Finance, Education, Health and Service, there being a team representing each branch in each of the three leagues.

Inter Class League Formed.

The High school has formed an Inter Class league, composed of teams representing the freshmen, sophomores, juniors and seniors. The schedule will start during the latter part of the month. "Hi" has also organized a second team. And then the two girls' teams must certainly not be overlooked.

Arranges Outside Games.

The High school has the first team entered in the City league, and in addition has arranged for many out of town games by becoming amalgamated with the newly organized Southwestern Intercollegiate Athletic federation. This organization will be composed of the larger schools of west Texas, Arizona and New Mexico. Although only in its infancy, the federation has three members already, these being El Paso High school, New Mexico Agricultural college and the New Mexico State Normal school at Silver City. It is believed that the universities of Arizona and New Mexico, the Roswell Military institute and the high schools of Deming, Douglas, Alamogordo and Phoenix, and possibly one or two more, will come in.

The weekly event for the regular class at the Y. M. C. A., Monday night, was pullups. This event was won by J. Scofield with 17. Billy Race was a close second with 15; P. Guyna third with 11, and R. Vaughn fourth with 10.

High School Nearly Won.

Despite the fact that the High school boys were defeated by the Silver City Normal school team last Saturday at Silver City, the local boys played a splendid game, and had their defence been equal to their offence the result would have been entirely different. This is clearly shown by the score of 24 which they made to the Normal's 29. The feature of the game was the remarkable free throwing of Capt. Dunlap, of the Normal. He threw no less than nine goals in ten chances. For the High school, Jimmie Kilburn and Palmer Schumacher played a fine game, while Capt. Bob Bryant was easily the individual point winner with five field goals and four free throws.

The "Hi" girls, in their game with the Normal girls, maintained their great string of victories. The girls are now entering on their third year without having had a single defeat registered against them. However, they were very close to it Saturday. At the end of the regular periods of play the score was tied at 10, thus necessitating the playing of an extra period. When Fannie Twaits made a successful free throw, it appeared to be all over with "Hi," but Capt. Mary Wadlington came through nobly with a very difficult field goal and brought the victory to her team by the score of 12 to 11. For "Hi," both Ruby Ponsford and Reba Elliott played a splendid game, particularly on the defence. Most of the points scored by Normal were on free throws or on a throw that went clear over center.

Plays Despite Injured Wrist.

Nancy Edwards played a very strong game at guard, despite the fact that she played throughout the game with two of the small bones in her wrist broken. By her display of grit she showed that the boys are not alone in the possession of courage. Capt. Mary Wadlington, at forward, was the best player on the floor. She scored nine of the 12 points scored by her team. For Normal, Fannie Twaits easily outshone all her teammates.

The teams played to a crowd that packed the armory to overflowing. People came all the way from Hurley and Santa Rita to see the games.

Deming Accorded Royal Treatment.

A pleasant feature of the High school teams' trip was the stop at Deming. The people treated both boys and girls splendidly. Mr. Reukauf, athletic coach, was able to smooth over all difficulties resulting from the unfortunate episode in connection with the football game played at Deming recently. It was agreed to renew athletic relations between the two institutions and when "Hi" left for El Paso the most cordial feeling existed between all.

COMMERCIAL LEAGUE BASKETBALL BEGINS

Feldman Team Defeats Walz Five by 26 to 22; Bryan Team Wins From Shelton-Payne by 14 Points.

With the Feldman and Bryan Brothers teams returned the winners over the W. G. Walz and Shelton-Payne Arms teams, the Commercial league basketball season was inaugurated Wednesday evening at the Y. M. C. A. Both games were fast and exciting and the former was in doubt until the referee's whistle blew to end the second half of the contest. Several sensational plays were made.

The Feldman team won from the Walz five by a score of 26 to 22. Hughes and Routledge, forwards for the Feldman team, carried off the honors of the game, each scoring four baskets. Black, at right guard, also played a good game for the winners. Ross, left forward for the Walz team, carried off the honors for his five with three baskets. In the first half the Feldman team got away to a good lead, scoring 16 points to 12 made by the Walz team. In the final period, both fives played fast basketball and scored an equal number of points, five baskets, for 10 points. Shea refereed the game. The teams lined up as follows:

Feldman team—Hughes, left forward; Routledge, right forward; Done, center; H. Walker, left guard.

W. G. Walz team—Ross left forward; Race, right forward; Werner, center; Walker, left guard.

The Bryan Brothers' team won by 14 points over the Shelton-Payne five, the score being 25 to 21. Shea, right guard for the winners, was the star of the game, scoring more than half the points made by the Bryan team. Bryant at right forward also played a good game. Schumaker starred for the defeated five.

The Bryan team made a runaway out of the game in the first half, scoring 22 points to seven made by the Shelton-Payne team. In the second half the Bryan team eased up and scored but 12 points to 14 made by the Shelton-Payne team.

The lineup of the teams follows:

Bryan Brothers—Rheinheimer, left forward; Bryant, right forward; Fox, center; Shea, right guard; Gayiord, left guard.

Shelton-Payne—Rousch, left forward; Shea, right forward; Holzman, center; Schumaker, right guard; Rousch, left guard.

Referee—Done.

Othello's Race Is Victory For Texas

Bought Handicap Winner For $2000

BY B. R. CADDLE.

WHEN Othello, the black son of Lithos, carried the colors of Mose Goldblatt to victory in the Ahumada handicap Wednesday afternoon it was another victory for Texas as a breeding state for the thoroughbred race horse. During the past several years a number of runners bred in the Lone Star state have won places in the hall of fame in the racing world.

Othello was bred on the stock farm of G. L. Blackford, in east Texas, and is the get of Lithos out of Flash of Night. The three year old colt was campaigned across the river as a two year old and in his three year old form last winter proved a turf star. He was shipped to Louisville last spring and sold at public auction at the famous Churchill Downs course, one of the most historic tracks in the United States. When Mr. Goldblatt entered the paddock where the sale was going on $1600 was bid on the colt and he immediately boosted this to $2000, and the horse was "knocked down" to him at this figure.

Under the training of Mr. Goldblatt Othello has developed into a sensational sprinter and has won more than $10,000 in races during the year. The black colt has accounted for 15 races during the year and has won more events than any other three year old now being campaigned on the tracks of North America.

Like Iron Mask, holder of many track records, Othello is a black thoroughbred. When Mr. Goldblatt resigned as trainer for Jefferson Livingston, owner of Iron Mask and other fast thoroughbreds last spring, he purchased Othello and several other horses. His stable has won more events since that time than many of the larger stables now being campaigned.

Tokalon Also Texas Bred.

Among other Texas bred thoroughbreds that have won recognition on the American turf is Tokalon, bred by J. W. Fuller on his east Texas ranch. She was returned winner of the famous Brooklyn handicap, one of the richest classics of the American turf. The mare is the mother of Tokay, who has raced well as a two year old and gives promise of being an exceptionally good three year old.

Pan Zareta, by Abe Frank out of Caddie Griffiths, was born on the east Texas ranch of that well known Texas turfman, J. F. Newman. She made her debut as a two year old at the over the river oval, but was unfortunate in having to race against the noted Hawthorne that spring. As a three year old she kept on improving and ran most creditably both east and west. In her four year old form she reached the zenith of her career, meeting and defeating the best of her sex and age throughout eastern Canada and Kentucky.

Booger Red Great Polo Pony.

Booger Red and Sad Sam, full brothers, by Rancocas out of Helley, two sensational sprinters, were also raised on the Newman ranch. They met and defeated the best of their time. Booger Red was a most diminutive horse and was finally sold as a polo pony to Allen Pinkerton for $5000. A polo pony to come under the regulation is under 14 hands high. He has proved one of the greatest polo ponies ever known, winning event after event, carrying as high as 175 pounds, and could not today be purchased for twice the sum his owner paid for him.

J. W. Fuller is another Texas breeder who has produced many good turf performers during recent years. The Marchmont family, the premier of which is Injury, is a product of this breeding establishment. General Marchmont, Colonel Marchmont, Marchmonet, Little Marchmont and Captain Marchmont, were all bred and raced on this farm, and each has raced with distinction.

Meadow is Texas Mare.

Meadow, by Leonid-Dolly Haymond, as well as Truly, her full sister, Lady Rankin, Thistle Rose and others were raised by Wade McLemore, the well known Texas turfman, on his east Texas ranch. Truly died this summer at Vancouver.

The great three year old Orb is also a Texas bred horse.

While El Paso has ceased to hold its famous Osaple celebration, the name is kept before the public by the well known thoroughbred by Peep O' Day out of Miss Anne, a good performer. Osaple has won brackets on two occasions during the present meeting across the river and is classed among racers as a good one and brings by his performance no discredit on his illustrious name.

He was named in 1912 by his former owner, Earl Linnell, who at that time owned the local favorites, Irish Gentleman and Black Mate. Mr. Linnell had raced several seasons at Juarez and on one of his annual visits arrived at the period of the Osaple carnival, which created such an impression that, in seeking a name for the promising yearling, he finally considered the king of the carnival's name appropriate.

DANIELS FAVORS NAVAL RESERVE

Washington, D. C., Dec. 10.—Secretary of the navy Daniels, testifying today before the house naval committee, urged the passage of a congressional measure creating a naval reserve. He said this, in ten days' time, would provide 25,000 picked men for the service.

"I have recommended this year that we continue the regular and normal construction recommended last year," said the secretary. "It seems to me wise policy for steady enlargement. This includes two dreadnoughts, six destroyers, eight submarines or more (one of sea going and seven or more of the coast defence type), one gunboat, and one oiler. The president approves this."

Saves Woman and Child; Bisbee Man Is Burned

Bisbee, Ariz., Dec. 10.—Sam Malovich, writhing in agony from burns, may be a cripple for life, but he saved a woman and child from death when fire destroyed a double house in Jiggerville. The woman, who had fled outside from the flames, ran back into the burning house for her child. Malovich then rushed in and saved both. He found them surrounded by a mass of burning floor and walls, but made his way through the flames without hesitation and bore them out safely. Malovich is in the Calumet and Arizona hospital. The woman and her child were little injured.

BERG BOWLING TEAM DEFEATS BANKERS

The Sol I. Berg bowling team showed a return to form Wednesday evening on the Cactus alleys and won three out of four points from the City National Bank team. Carr and Bryan tied with a score of 210 for the high game, and Andreas rolled the highest total with a score of 564.

The Old Guards took three out of four points from the Houcks. Christie rolled the highest individual game with a score of 223, and White had the highest total with a score of 573. Score:

PITCHER COOMBS IS GIVEN RELEASE BY ATHLETICS

Philadelphia, Pa., Dec. 10.—Jack Coombs, the Philadelphia American league pitcher, was given an unconditional release by the Athletics Wednesday. Coombs was injured while pitching in a world's series game against the New York Giants in 1911 and since then has done very little work on the mound. Recently manager Mack asked waivers on Coombs, Plank and Bender. The latter two have signed Federal league contracts.

JIM NITE GIVEN PARDON AFTER 25 YEARS IN PRISON

Austin, Tex., Dec. 10.—Gov. Colquitt today granted a conditional pardon to Jim Nite, the alleged Longview bank robber, who was convicted 25 years ago and was given a life term in the penitentiary on conviction of murder, growing out of the robbing of the bank.

Nite was a member of the famous Dalton gang which operated in Texas about 30 years ago, and a few months ago Emmett Dalton, one of the surviving members of the gang, came to Austin and made a personal plea to Gov. Colquitt for executive clemency. The governor at that time said he would consider the matter. Nite had always maintained his innocence, claiming that he was not a participant in the robbery and subsequent murder. He is now 42 years of age and a cripple, and is said to be a model convict.

GARDNER ASSAILS WILSON POLICY

gers and their eyes; that we have a sadly deficient under-sea navy and practically no overhead fleet at all.

"I have proposed that an independent commission be appointed to investigate all the things, to recommend the use of a definite policy for our future guidance.

"For the first time in the history of this country, so far as I know, a committee of this house has refused a hearing to one of the house's members.

What Arbitration Accomplished.

"Arbitration! What a grand word! All that Carnegie has to show for his money is an unprepared England and an unprepared Belgium. The pacifists boast that their efforts have at least made every nation disclaim the responsibility for the war. Had Belgium, like Switzerland and Holland, put more confidence in her troops and less in arbitration and scraps of paper, she might today be free from the agony of invasion.

Chautauqua Lectures for Defence?

"Yet every scrap of paper to which America puts her sign manual must be scrupulously redeemed. Come what may, we must fulfill our treaty obligations, even if every other nation on earth is false. But suppose at some future time we find our path beset by nations with smaller consciences and larger howitzers—what then? Shall we defend ourselves with mammoth rolls of Sunday school signatures, or shall we place our dependence in Chautauqua lectures?

"Pending that day, I should like a few more dogs of war and I promise not to slc them on to the passersby. I can dream of a day when society will be so well organized that there will be no more burglars."

AUSTRIANS ADMIT RETIRING FROM STRONG SERVIAN FORCES

Amsterdam, Holland, Dec. 10.—The official communication issued at Vienna, Austria, today by the Austrian army headquarters staff says:

"On Dec. 8, we captured 20 guns and took numerous prisoners."

Carranza Wins Lower California.

Lower California is now completely controled by Carranza, according to reports received here by Carranza agents. These state that Gen. Miguel Santa Cruz, acting for Baltazar Aviles, former Villa jefe of the territory, has surrendered his force of 50 men to Col. Estaban Cantu at Tiajuana. Aviles, it is declared, has gone to Sonora in an attempt to have Maytorena send forces to assist in the recapture of the territory. The surrender, it is believed, was arranged by Celistiano Ruiz, who recently arrived in El Paso on his way to Lower California on a special mission from Carranza.

Hermosillo Attack Fails.

The attack on Hermosillo by Carranza forces has failed, according to advices received by Villistas, and the Carranza forces are being driven to the south. Until recently Diaz has been living in New York.

VILLA AND CARRANZA MEN COME TO BLOWS IN NEW YORK

New York, Dec. 10.—Blows from a cane figured in a physical argument between Justo Acevedo, former Mexican consul general representing Carranza, and Aladio Mendoza, an associate of the Villa consulate general. Acevedo was arraigned Wednesday in police court, charged with assaulting Mendoza, and was fined $5.

For the past two months Villa's consul general and Carranza's consul general have been maintaining offices in the same building. According to Mendoza, Acevedo accused him of allowing visitors to Villa's consul general to entertain the belief that they were calling on the actual representative of Mexico in New York, when Carranza was the real head of the government.

MAY COMMUTE TWO TO LIFE

Pardoning Power of Governor Hunt Will End on Next Saturday.

Phoenix, Ariz., Dec. 10.—After Saturday, December 12, governor George Hunt will have no power to reprieve, pardon, commute and parole prisoners. Speculation is rife as to what action he will take before that date.

It is reported on the best of authority that he has determined definitely to commute to life imprisonment the sentence of two of the men condemned to die at the state penitentiary December 19. Those who seem likely to receive executive clemency are William Campbell, of Prescott, and Charles Shaffer, of Globe.

Proclamation Saturday.

The governor has announced that on Saturday he will issue his proclamation of the result of the November election. The law removing his pardoning, reprieving, paroling and commuting power will be in effect as soon as the proclamation is signed.

Would Leave But Four.

If the sentences of Shaffer and Campbell are commuted, the list of those to die December 19 will be reduced to N. B. Chavez, Francisco Rodriguez, Miguel Peralto and Eudardo Perez.
