

SOLDIERS AT FORT AID RED CROSS DRIVE

The closing days of the campaign for Red Cross membership among the soldiers at Fort Bliss show a very lively interest on the part of most of the organizations, according to L. G. Coop, field director of the Red Cross...

Troop L of the Eighth cavalry was the first to show its personal membership. Troop H of the Seventh cavalry, not to be outdone by any other, decided to buy 100 personal pins and stencils...

Each soldier member must feel that a little more of the fact that he not only stands ready to defend his country in time of war and is willing to contribute to the support of his "country" in case of distress through the Red Cross, but also realizes the good that the "Great Mother in the World" is able to accomplish in times of disaster...

Following is the standing of the various units at the fort:

Monuments For Roads Traveled By Lincoln

Springfield, Ill., Nov. 27.—Monumental posts are soon to be erected in 12 counties in central Illinois to mark the route traveled by Abraham Lincoln in 1857 when he was actively engaged in the practice of law. In these days Lincoln and other lawyers of the frontier traveled with the court. Then Judge David Davis, ever what was known as the eighth judicial circuit. Homes and barns were used, it taking sometimes more than a day to travel from one courthouse to another.

Newport, R. I., Nov. 27.—Newport are demanding five-cent pie instead of the ten-cent article they have been getting in the restaurant, and are being their demands upon the announcement that there is now selling for 15 and less per barrel. A movement for reducing the price of bread from the twelve and a quarter cent loaves to the old five and ten-cent loaves is under way.
