"SELLERS WEEK" Ends Saturday

If we had needed any further proof of the great popularity of the Sellers Kitchen Cabinet we might well have taken the sales of the first three days of the week as such proof. The membership of the First Foutz-Moore Sellers Club was filled in record time—but the forepart of this week saw 60% increase over the best three days of the previous sale.

But such results are after all not to be wondered at. A good Kitchen Cabinet is one of the prime necessities of the modern home and the SELLERS is probably and unquestionably the LEADER among the GOOD CABINETS

INITIAL PAYMENT OF \$1 SMALL WEEKLY PAYMENTS THEREAFTER

And added to the superiority of the SELLERS, you have the remarkable terms of SELLERS WEEK. An initial payment of a single dollar with small weekly payments puts the SELLERS in your home.

Could any opportunity be better? Could any Christmas gift prove more acceptable to the woman who keeps house. If you agree with us, then ACT—for you have only tomorrow and Saturday.
