SEATTLE, June 26.—Spokane was never in danger after the second inning. Hunt walked two, Cartwright sacrificed, Noyes knocked a homer, clearing the bases after DeVogt had fanned and LaLonde had made an error. The Tigers started scoring in the first, getting two runs on hits by Neighbors, Nill and Lynch and a punt by Abbott. Hall got a homer in the seventh. Yesterday's game made eight straight losses for the Tigers and planted them safely in the cellar. The score:

France May Surprise Nations With Entries At Olympiad

BY ANDRE GLARNER, Sporting Editor Paris "Excelsior," Manager French Olympic Team and Former Junior A. A. U. Mile Champion.

COPENHAGEN, June 26.—It is conceded in European athletic circles that Uncle Sam will win the majority of events at the Olympic games which open June 29, but certain it is that the victors will find greater resistance than is expected from the athletes of continental Europe.

It is probable that France, Germany, Sweden, Finland, Austria and Italy will win more medals than England. France has made wonderful strides in all departments of athletics in the last few years, and I believe the team will give America an unexpected strong fight.

The English champions last year showed continental caliber. England won but three out of 13 events, the rest going to Germany, France, Finland, Ireland and to Tex. Ramadell, the U. of P. sprinter who won the 100 and 220 yards.

Since the beginning of the track and field season, European runners and jumpers have trained with constancy heretofore unknown. Most of them have trained under old American champions and trainers, with the only object in view being a good showing at Stockholm.

Ernest Hjertsberg, the old Pastime and N. Y. A. C. runner, has coached the Swedes, and Jimmy Lighbody of Chicago has had charge of the Germans. Sensational performers have been developed in some countries and will surpass the world in the games.

Rau, the German, does 100 yards consistently in 10 flat and was once timed in 9 3-5. Hans Braun is the best European bet. Save when beaten by Sheppard and Lugh in the last Olympiad, he has never been headed at 400 or 800 yards. Paseman is the greatest all around jumper I ever saw.

France will have Jean Bouin, who for two years has beaten every runner in Europe, in the international cross-country championships. Recently he ran with in 225 yards of the world's hour record, and broke the half hour record. He is better than Scott was in the 5,000 meters try-outs at Cambridge.

With the shot, while not approaching Rose's records, France has Andre Tison, a full-bearded young fellow who can put 46 feet and threw the discus 140 feet. Failliot, the football idol of France, has done better than 49 seconds in the quarter and the furlong in 21 3-5 seconds.

Arnaud, France's miler, will step 1,500 meters in four minutes, which will push even Abel Kiviat.

Austria will be represented by Szalmary, who jumps 6 feet 2; Mundy, who puts the shot 45 feet and shades the world's discus and javelin records.

Sweden has a star in Wiedle, who has run 1,500 meters in 4:02 and the mile in 4:21, to give Kiviat a fight and Lemming is expected to win the javelin contest again. The marathoner, Ahlgren, looks as good as any man entered in the classic.

BEE'S DOPE

"If you don't like it here, play so you will be lifted out of it," says Cy Neighbors. He is right. The dissatisfied members of the Tiger team will only lessen their chances for future baseball contracts by dogging it.

A baseball player who so far forgets that he is at least supposed to be a gentleman and dogs his work, throwing the games, is entitled to about as much sympathy as was received by horse-thieves on the frontier.

If we had a few more men on the Tiger team like Cy Neighbors, George Nill, Charley Schmutz, Ben Hunt, Melkie and possibly one or two others, who work all the time, it would be a baseball team.

Tacoma have a right to become disgusted with some of the ball players. President Watkins is to be admired for his nerve and gameness under the circumstances.

The same opinion held of the Tacoma players by the most angry fan, is what is thought of Kid Merman as a referee. We can't print it.

Eddie Shepler was robbed of a decision before the Press club last night in Seattle when he had Harry Forbes all but out in the first three rounds and Forbes landed two punches in the fourth.

Bill Yohe, who drew curses upon his own head by dogging it, has been handed over to Wattlet and Meek of the Victoria Bees. All ball fans chant a prayer.

Will Not Interfere With Big Battle

(By United Press Leased Wire.)
LAS VEGAS, N. M., June 26.—The announcement by Governor McDonald that he will not interfere to prevent the Johnson-Flynn fight here July 4 was received with joy by fight fans and local merchants.

Prominent business men who are interested to the extent of \$10,000 in the coming battle, having put that much up as a guarantee, posted copies of the governor's announcement in the windows of their stores and on the dead walls of the city.

The effects of the governor's announcement on the two fighters were readily discernible. Both were up with the lark and out on the road. Each did about ten miles and then returned to his camp to rest for an afternoon of gymnasium stunts and boxing.

Delay Attell-Murphy Bout One Month

(By United Press Leased Wire.)
SAN FRANCISCO, June 26.—That the Abe Attell-Harlem Tommy Murphy 20 round fight scheduled for the Daily City arena July 4 will not take place, is believed probable here following the action of the Daily City trustees in declaring against the match. The trustees formally voted to notify Promoter Coffroth that the match is objectionable to them.

It is not thought that any attempts will be made to go ahead with the mill.

Coffroth is endeavoring to postpone the bout until Saturday afternoon, August 3, when he plans to stage it in the San Francisco open air arena.

Ryan's Ankle Bad

(By United Press Leased Wire.)
ANTWERP, June 26.—Unless great improvement is shown in the condition of Michael J. Ryan of the Olympian team, Uncle Sam's hopes of capturing the Olympic marathon will be shattered. Ryan's ankle, which he sprained last Saturday while doing some light training on board ship, was much worse. It is badly swollen and there is a possibility that the Irish-American runner may not be able to compete in the long race. Otherwise the American representatives are rapidly rounding into form.
