Mix one pint of granulated sugar with ½ pint of warm water, and stir for 2 minutes. Put 2½ ounces of Pinex (fifty cents' worth) in a pint bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. Usually ends a deep seated cough inside of 24 hours. Splendid, too, for whooping cough, croup, chest pains, bronchitis and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough. This recipe makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasantly.

Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in gualacol and all the natural pine elements which afe so healing to the membranes. Other preparations will not work in this formula. This plan of making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful formula has never been equaled.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co, Ft. Wayns, Ind. When Patrolman M. ERNEST LISTER FOR GOVERNOR

Clean, Honest and **Forceful**

Business Man For **Business** Office

ERNEST LISTER, the Democratic Candidate for Governor, has had more practical experience in State affairs than any citizen of this state. As Chairman of the Board of Audit and Control he was "the business man" of the Rogers administration.

In three and one-half years in this position he saved a quarter of a

million dollars in the operating expenses of the State institutions.

Writing of the Rogers administration W. H. Paulhamus, President of the Washington State Senate and late Progressive Candidate for Governor, said:

"Rogers was elected by a big majority, and he made the best Governor that Washington ever had."

Lister made the Rogers Administration successful.

"Lister is a gentleman, a capable man and will make an excellent governor if elected."—William H. White, former Chief Justice of the Supreme Court, and leading Progressive, in a public speech.

Vote for LISTER—He is a WINNER!

This space is paid for by Democratic, Republican and Progressive supporters of Ernest Lister for Governor of the State of Washington.
