Deny They're Promoting a Boxing Club

Stanley V. Bell, W. L. Alfred and Jos. M. McDonald issued a statement today denying they are interested in the formation of an organization to be known as the Washington Amateur Athletic club to promote boxing contests and other sports, as was announced recently.

"While we believe in boosting and will be glad to support any accredited club in its efforts to promote all clean sports, including boxing," they said, "our private interests are such as to prevent us from actively engaging in this line."
"Further than this, we believe the Eagles Athletic club and Paul Steele's Tacoma School of Boxing can be depended on to take care of the boxing game in Tacoma."

CHI CRIPPLED; U. IS CHEERFUL

CHICAGO, Nov. 19.—The large number of cripples in the University of Chicago squad has put Coach Stagg up against a hard proposition for tomorrow's game with the Illinois team. On the other hand, Coach Zupke brought his Illinois squad to Chicago today, happy and entirely optimistic over the coming contest.

MARRIAGE LICENSES
Henry T. Jones of Dry Ridge, Ky., and Annie B. Rezman of Stevens Point, Wis.; Geo. E. Bradley and Zetta Norrison, both of St. Louis; John F. Beals and Florence Kelly, both of Tacoma.

BENEFIT TOMORROW

Tomorrow morning will see another special movie show at the Colonial theater for the benefit of a fund being raised for Thanksgiving dinners for the poor. The special show, arranged as an appeal to children, is headed by Mary Pickford in "Cinderella," a good comedy film, and some South American travel pictures. The Associated Charities, which has taken over the Thanksgiving dinner work, has decided to distribute basket dinners to needy families, rather than attempt to arrange a large dinner where all the poor would eat at the same time.

MEANS MERRY XMAS

Destitute sick of Tacoma will be given relief again this Christmas by the Eagles' lodge. A dance will be held shortly before the holidays. It was announced today, and all receipts will be turned over to the visiting nurses of Tacoma, who will distribute aid to the suffering families they have been attending. Last year the Eagles gave the proceeds of a boxing smoker, amounting to \$700, for this cause. This year's dance will be held in Eagles' hall.

WILL TACKLE POSERS

W. A. Moore, pastor of the First Christian church, will deliver a series of lectures on the book of Revelation beginning Sunday night. The following are among the questions to be answered: What are represented by the golden candlestick and the stars? Are we now in the millennial age? What is signified by the seven horses of Revelation—white, red, black and pale? What is meant by "Silence in heaven for half an hour"? Is the present war referred to in Revelation?

PROBERS RETURN

Mrs. Abbie E. Danforth and Mrs. T. J. Hamilton, Tacoma clubwomen, who have been investigating charges of Mrs. Ross against officials of Pacific county in connection with the North river night-riding case, returned last evening.
Both of the local club women would make no statements until they had seen the governor, but both intimated that there was some peculiarity in the appointment of C. E. Muckler and Mrs. Kate Young of Olympia to investigate the officials' side of the affair.

BABY BADLY FORMED

CHICAGO, Nov. 19.—The inquest over the death of the defective Bollinger infant was continued today before a number of Chicago physicians. The autopsy showed the infant to be deaf in its only ear and paralyzed on one side. It also had curvature of the spine and hemorrhages of the spinal canal.

WORLD'S MIGHTIEST

WASHINGTON, D. C., Nov. 19.—Details of the construction of what will be the two largest battleships afloat are being arranged by Secretary Daniels. One of the features of the new vessels will be 16-inch guns, an inch greater in diameter than any now afloat.

APPOINT J. P.'S

County commissioners appointed two new justices of the peace yesterday to fill vacancies at Ruston and Eatonville. Joseph T. Dickinson and Charles H. Williams were the men named, respectively.

OLD FOLKS NEED 'CASCARETS' FOR LIVER, BOWELS

Salts, calomel, pills act on bowels like pepper acts in nostrils.

Enjoy life! Don't stay bilious, sick, headachy and constipated.

Get a 10-cent box now. Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store. They work while you sleep.

ADMAN TALKS

Most of us, in buying a hat, are blind to the real quality, the color and shape being the chief consideration.

If the salesman says, "This is a John Doe or a Richard Roe hat," you still have gotten no further than the color and the shape, for names other than a very few mean nothing to the average man in connection with the hat he buys. But if, as we say to you, "this is a STETSON Hat at \$3.50" or "this is a GORDON Hat at \$3.00," we have named the missing element, Quality and the price therefor.

By the same token a blind man could buy a "STETSON" or a "GORDON" Hat and know that he would get his money's worth.

Our personal guarantee goes with every "DICKSON" Hat we sell at \$3.00. We thank you for reading this advertisement.

GET RID OF VILE CATARRH

This shows the Hyomei outfit just as you get it at drug stores. Inside of this box is a bottle of Hyomei, a hard rubber pocket inhaler, that will last a life time, and simple instructions for ending catarrh.

Into the inhaler you pour a few drops of magical Hyomei (pronounce it High-o-me). This is absorbed by the antiseptic gauze in the inhaler and now you are ready to breathe it in over the germ infested membrane where it will speedily begin its work of killing catarrh germs. Hyomei is made of Australian eucalyptus combined with other antiseptics and is very pleasant to breathe.

It is guaranteed to end catarrh, bronchitis, sore throat, croup, coughs and colds, or money back. It cleans out a stuffed up head in a few minutes.

Sold by druggists and by Crown Drug Co. Complete outfit is inexpensive and includes inhaler. And remember that extra bottles, if afterwards needed, cost only a trifling sum. Breathe it, that's all.

To break up cold in the head or chest in a few minutes, pour a teaspoonful of Hyomei into a bowl of boiling water, cover head and bowl with towel and breathe the vapor.
