THE UNIVERSAL CAR

If you are doubtful whether it will pay you to buy a Ford Truck for your farm, go to the man who owns one and ask him. Or we will come to you and will tell you what dozens of Ford Owners have told us—that the Ford Truck is positively a paying proposition.

It brings the best markets to your door. It solves the hauling problem on the farm and between the farm and the city. It does a dozen different jobs every day and stands the wear and tear of farm work under all conditions.

A post card will bring you further information.
