FAIR TO GET BUILDING FOR AUTO EXHIBITS

Board Calls for Bids for New Structure; Will Also Erect High Board Fences

Erection of a new exhibit building to take care of the automobile show is planned by the directors of the Whatcom County Fair Association. Bids for the structure were called for this week.

The new building will be 50 by 100 feet, and will be erected between the present main exhibit hall and the horse barns.

Demands for space at the fair have grown so great that a new building is necessary to take care of the exhibitors. Last year, a tent was used for the automobile show, but this was blown down in a high wind.

The Fair Board estimates that the cost of the new building will be covered by revenues within two years.

Bids have also been called for the building of 2,000 feet of fence across the rear of the grounds. The Fair has lost considerable revenue in the past by the practise of many in walking into the grounds without paying admission. It is to stop this practise that the fence will be erected.

HOW TO LOSE A COW IN A HURRY

F. H. Pierce had a fine Guernsey heifer that he wanted to dispose of. Now he might have spent much valuable time phoning the neighbors, or travelling over the district looking for a buyer. But he chose the quick way—a Tribune Want-Ad.

This was the little inexpensive ad that brought the buyers to Mr. Pierce last week:

FOR SALE — 3-year-old Guernsey heifer, just fresh. F. H. Pierce, phone 2003, Lynden. 8-4-3t.

PAVEMENT DANCES STUDIED BY COUNCIL

Fireman Permitted To Hold Theirs, But Future Events of Similar Nature Will Be Barred

At the meeting of the city council Tuesday night, the pavement dance matter came up for consideration.

At its July meeting, the Council granted a permit to the Firemen to use a portion of Front Street for a dance during the Labor Day Festival planned by the Fire Department. A petition was then filed setting out objections on the part of a number of citizens to the pavement dance.

In view of the fact that the permit had already been granted, and that the firemen requested that the permit stand inasmuch as the whole program had been arranged and the dance advertised, the council decided to allow the dance to be given as planned.

However, the council expressly went on record that, in consideration of the wishes of the large number of citizens who object to such forms of amusement, no permit to use the streets for dancing would be granted in the future; and the firemen stated that for the sake of harmony, they would not make further requests of this nature.

CITY HEN WORTH NO MORE THAN COUNTRY

Higher Assessment of Lynden Birds than Country Flocks Calls Forth Investigation

A city chicken will be no more valuable in the eyes of the law than its country sister, according to information given a delegation of Lynden poultrymen this week by the Board of Equalization. Both birds will be taxed on a basis of being worth fifty cents.

In the original assessments, city flocks had been put down at 75c each as against the 50c valuation for the country hens.

An indignation meeting of Lynden poultrymen was held Monday morning at Hanover's Senate, and Mike Vander Griend and Frank Hawley were named to appear before the Board of Equalization with a protest. County Assessor McArthur notified the committee that he had already decided to change the assessments.

LYNDEN LOSES TWO GAMES TO DEMING

Drops Two Fast Contests Here; Deming Pitcher Goes Strong in Double-Header

Lynden suffered two shut out defeats at the hands of Deming, last Sunday, by the scores of 2 to 0 and 8 to 0.

McDonald, who pitched the full eighteen innings, not only was in fine form, but was given almost errorless support in the pinches. In the first game only five Lynden batters were struck out and in the second only three. But no matter where the ball was hit there was a Deming man waiting for it.

To offset this playing of the visitors, Lynden's fielding was very erratic at times.

The first game was a close fast contest. The only inning in which any scoring was done was the fifth, when Deming bunched three hits for a total of two scores.

The following is the score by innings:

| | | | | | | | | | | | | |
|---------|---|---|---|---|---|---|---|---|---|---|---|---|
| Innings | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | R | H | E |
| Lynden | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 4 | 3 |
| Deming | 0 | 0 | 0 | 0 | 2 | 0 | 0 | 0 | 0 | 2 | 8 | 5 |

Batteries—Olson and Thon; McDonald and Pebley.

The second game was an uphill struggle all the way through for the home team. Deming cinched the game in the game in the second inning when they succeeded in scoring three runs. They scored once more in the fourth, twice in the eighth and twice in the ninth.

The score by innings:

| | | | | | | | | | | | | |
|---------|---|---|---|---|---|---|---|---|---|---|---|---|
| Innings | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | R | H | E |
| Lynden | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 3 | 8 |
| Deming | 0 | 3 | 0 | 1 | 0 | 0 | 0 | 2 | 2 | 8 | 8 | 3 |

Batteries: Olson, Jamieson and Thon; McDonald and Pebley.

Last Sunday Everson and Custer split a double header, while Ferndale defeated Valley in a close contest, 7 to 6.

The following is the standing of the teams of the Nooksack Valley League:

|----------|---|----|------|
| Ferndale | 8 | 3 | .727 |
| Lynden | 9 | 7 | .563 |
| Custer | 7 | 6 | .538 |
| Deming | 6 | 7 | .462 |
| Everson | 6 | 7 | .462 |
| Valley | 4 | 10 | .286 |

Lynden's next league game will be played with Ferndale next Friday afternoon, August 12, at the Pioneer Picnic. Game will be called at 2:00 p. m. sharp.

MISS EDITH JESS AND MANFORD HENDERSON ARE MARRIED

The following account of the Henderson-Jess nuptials is from the Bellingham Herald:

A simple but impressive wedding ceremony was performed Monday morning at 11 o'clock, when Miss Jess of Custer was united in marriage to Mr. Manford Henderson, son of Mr. and Mrs. Charles Henderson of Lynden, at the First Christian parsonage, with Rev. W. F. Reager reading the service, within the presence of immediate relatives of the couple. The bride was exceedingly modish and attractive in an advance fall suit of dark brown broadcloth trimmed with choker collar of white fur and a close-fitting feather hat. A corsage of pink carnations and maidenhair ferns added the touch of color to the outfit. Immediately after the ceremony, the couple left via automobile for a tour of Mt. Rainier National Park, returning to make their home near Lynden. Mrs. Henderson, nee Jess, is a graduate of the Whatcom High School and Bellingham Normal School and Mr. Henderson is prominent throughout Whatcom County.

FRUIT-GROWERS BUY LYNDEN'S CANNERY

Local Men Incorporate for \$50,000 To Operate Local Plant on Large Scale

Announcement was made this week by a group of Lynden fruit-growers that they had taken over the H. A. Baker Cannery, and had organized a company to operate it.

The new company, incorporated under the name of the Lynden Producers' Canning Company, will have a capital stock of \$50,000. Of this sum, \$20,000 will be paid for the Cannery plant, leaving a working capital of \$30,000.

C. M. Creamer is returning to Lynden to manage the plant, assuring the company of careful direction in the production and marketing departments.

The membership in the company insures the cannery more than twice as much fruit and vegetables as has ever been packed here before in a year. Stock has been assigned according to acreage.

O. L. Sheets, W. E. Preston and F. H. Pierce were named as incorporators of the institution, and permanent officers will be elected in the next few days.

The plan of operation, as outlined in the subscription agreement, includes the following clauses:

That the stockholders of the company shall have their fruits, vegetables and berries canned, packed, preserved, stored, transported, together with necessary containers, cases, boxes, labor, labels, insurance, etc., at the actual cost to said company.

That for all products canned or processed, the company shall receive 10 per cent of its selling price for the benefit of its stockholders.

That the General Manager of the Company shall be paid on a commission basis, and shall not receive more than 20 per cent of the net profits.

That the principal object and purpose of said corporation shall be to secure the highest market price for all fruits and berries of its stockholders.

M. E. Lee of Portland handled the details of organizing the company.

LYNDEN POULTRYMEN PRAISED IN NORTHWEST MAGAZINE

Praise for Lynden poultrymen is given by the editor of the "Pacific Poultryman," in this month's issue. The following is the article:

"Another poultryman who is making a good living from the combination of poultry raising and berry growing, is O. L. Sheets of Lynden. Five years ago, Mr. Sheets bought his forty acre farm, and from his black caps, gooseberries and raspberries, which he put in first and his poultry which was his next investment, he has reduced his indebtedness each year. We noticed fine big kale growing among the fruit trees

ARCH COMMEMORATES 100 YEARS OF PEACE

This is the big new Peace Arch to be dedicated next month at Blaine. It was erected largely through the efforts of Samuel Hill, to commemorate one hundred years of Peace between the United States and Canada. The arch is an imposing one; Lynden people will find a trip to Blaine over the new pavement to see it worth while. The above picture is published through the courtesy of the Bellingham Reville.
