#### ENDICOTT EVENTS.

The Misses Ella Wegner, Mildred Bigelow and Mamie Smith and Professor R. C. McDaniel spent Thanksgiving in Spokane.

The piano contest conducted by the Endicott Mercantile Co. closed with Grace Jordan holding first place, Mrs. M. A. Sherman, Jr., second, Katie Weitz third, Mabel Barger fourth and Mrs. E. Irwin fifth.

James Brown spent Thanksgiving with friends at Hay.

Miss Fern Catlett and Earl Warnstaff were married here November 20. They will make their home on the farm of H. P. Hays.

The Rebekahs initiated a class of five candidates Friday night of last week. After the session a banquet was served in honor of the newly initiated. There were 40 present, including visitors from Colfax and Willada. Every one reported a most enjoyable evening.

Mrs. Mary Nelson of Thornton spent several days with her mother, Mrs. Gates.

Mrs. Jackson spent Thanksgiving with her daughter in Spokane.

Mr. and Mrs. L. F. Smith have gone to California for the winter.

James Broom spent Thanksgiving with friends in Hay, returning Friday morning.

Several hours of snowfall on Sunday gave the earth a white mantle, which has since disappeared.

Mrs. Cassie Barrett has been seriously ill at her home during the past week.

Mr. and Mrs. Clyde Hutchison left last week for a short stay in Judith Basin, Montana, to look after business interests. Haley Jones was home from Moscow for Thanksgiving.

Thanksgiving Day was observed by the usual family reunions and turkey dinners. The Thanksgiving service was held at the M. E. church the Sunday before, when the Odd Fellows and Rebekahs attended in a body.

Thursday evening a reception was given at the residence of M. A. Sherman, Sr., in honor of Rev. and Mrs. W. H. Rogers, which was a success. During the course of the evening a parcel party deposited, at the parsonage, parcels large and small, surprising the honor guests with a "miniature Mount Everest" on their return.

#### HUBBARD HAPPENINGS.

John Baylor returned Monday from a business trip to Alberta.

Mrs. Murphy of Waiteburg visited her niece, Mrs. R. L. Hayden, last week.

Francis Shannon of Rockford spent Thanksgiving with her brother.

H. C. Wilson spent Sunday in Garfield.

Mrs. R. L. Huffman and daughter, Miss Wanda, visited at St. John the last of last week.

J. R. Lee and family have gone to Lee Siding for a couple of weeks.

Mr. and Mrs. William Alexander entertained 40 of the young people Thanksgiving. The evening was spent in games, sells and guessing contests, which was greatly enjoyed by all present.

Miss Sallie Hardin has been confined to her home by sickness this week.

Mrs. George St. Peter returned home Monday from a trip to her old home in Wisconsin.

M. C. Taylor, S. W. Crumbaker, R. K. Smith and H. C. Wilson went to Pullman Monday to hear the national president of the Farmers' Co-operative Union speak.

Archie McMillen spent Thanksgiving with his cousins, the Misses St. Peter.

John Woodbridge of W. S. C. visited at Nels Nelson's last week.

#### FINE MONUMENTAL WORK.

D. Millgard & Co. in New Store Show Many New Features.

The display of monumental work to be seen in the store room of D. Millgard & Co. in the new MacKenzie block on Spring street, opposite the postoffice, probably excels anything of the kind in the Inland Empire. The middle store room of the block was specially fitted up for them, all arrangements being unique in every particular. The room is 25x90 feet, running through the entire building to the back alley. A work room and an office in the rear have been partitioned off, but they in no wise interfere with the light and the completeness of things.

A representative of The Gazette visited the beautiful establishment Saturday, feasting his eyes on the highly polished blocks of marble and granite that are to be seen in the new quarters to advantage, blocks that have found their way there from distant lands, representing the finest grades for use in monumental work. Mr. Millgard very kindly showed the scribe through the premises, and a half hour was not only pleasantly but profitably spent. It developed that most of the highly polished blocks came from Scotland, Italy and Sweden, with a large percentage from Vermont and other states of the Union. Some of these blocks are massive, all show the skill of the true artist, and the fine grain of the rock is pointed out, plainly

telling why it is necessary to send so far for material for high class work. Those interested in art can enjoy a delightful half hour looking through the establishment, and no doubt will be made welcome by the proprietors.

A huge traveling crane with chain hoist, running the entire length of the building, is a feature new to these parts, there being only one like it (at The Dalles, Oregon), in this part of the Pacific Northwest. With this traveling crane one man can lift three tons and transport it to any part of the large room. It can take a block of granite or marble of any size and transport it to the work room, large folding doors opening to receive it, and deposit it at any place convenient for the workman. This traveling crane is a great mechanical device, and should be seen to be fully understood.

Another mechanical device, not only worth mentioning but worth going to see, is the electric chisel used for lettering and designing purposes. It does away with the old fashioned process of doing it by hand, which was slow, tedious and often unsatisfactory. With the electric chisel the work is done with rapidity and precision, it being the wonder how monumental work in the past was done at all. It is in line, however, with mechanical contrivances found in all walks of life, only this one is the advance agent in its line of work in the Palouse country, showing that D. Millgard & Co. are not behind the times in anything in their line of business. The electric chisel can also be operated by a moving crane and put to use in any part of the building.

The Gazette is pleased to note these things, as it shows progress and speaks well for the stability and growth of Colfax.

#### FOOTBALL IN COLFAX.

Good Record Made by Home Eleven -- Resume of Events.

The Colfax eleven made a good record this season, although the team suffered four defeats, of which only one was excusable. All the men played a star game, many of whom played their first high school football game this year. The team was light, lighter than any team that played this season except Endicott, but were fast, which made up for what they lacked in weight. This is the record for the season:

Colfax vs. Pullman	0	3
Colfax vs. Spokane	5	23
Colfax vs. Rosalia	39	0
Colfax vs. Lewiston	15	0
Colfax vs. Coeur d'Alene	13	11
Colfax vs. Palouse	0	3
Colfax vs. Endicott	23	0
	65	40

Tekoa, Oakesdale, Garfield and Waiteburg forfeited to Colfax.

The team had a hard and heavy schedule this season, which is hard on any light team, the result being that a greater part of the time at least two men were laid up and the whole team lacked the vim which wins a game.

#### Returned From Post Graduate Work.

Drs. Palamoutain and Cardwell returned Saturday, coming direct from Chicago, where they attended the Clinical Meeting of Surgeons of North America, in session from November 8 to 19 inclusive. This was a notable event in the surgical world. Over 2000 surgeons were present during the daily sessions of the congress, 1000 living outside of Chicago, representing every state in the Union, besides Canada, even far away Hawaii. The next session of the congress will be held in Philadelphia. Drs. Palamoutain and Cardwell also spent several days at Rochester, Minnesota, where they engaged in post graduate work, which was continued at Chicago. Post graduate work is necessary if practicing physicians would advance with the advancing science of surgery, as well as medicine, and it is pleasing to note that local members of the profession take advantage of the opportunity to frequently take these courses.

#### Killed Four Deer--Sams Bear.

George W. Horton and G. W. Wilson returned Tuesday evening from Stevens county, bringing the carcasses of three white-tail deer with them as a result of the chase. Four deer were killed altogether, one being consumed in camp. The hunters left Colfax the 8th of October more specifically to hunt bear, taking dogs with them for that purpose, but in this they were disappointed, as bruin managed to elude them and their dogs, although they got on the trail of several. One big silvertip was pursued for three days, the grizzly finally making his escape. The three deer brought to town were killed at the foot of Kalispell peak, 25 miles southeast of Colville, Stevens county. This has heretofore been a great game preserve, but as noted in other parts of the land, deer are getting scarcer every year.

#### Teachers' Exams.

Teachers' examinations will be held in the new High school building in Colfax on December 8, 9 and 10. Those wishing to take the exams should bear this in mind.

#### The Correct Time

to stop a cough or cold is just as soon as it starts--then there will be no danger of pneumonia or consumption. Just a few doses of Ballard's Horehound Syrup taken at the start will stop the cough. If it has been running on for some time the treatment will be longer, but the cure is sure. Sold by V. T. McCroskey.

Estate of Carrie M Bach--Order appointing appraisers.

#### GOITRE REMOVED.

Father Writes to Home Paper Regarding Daughter's Operation.

Hot Lake, Oregon, Nov. 18--To the Lewiston Tribune: In order to let my Lewiston friends know the result of the operation performed here a few days ago upon my daughter for goitre, I am taking the liberty of informing them through the Tribune. The operation was a complete success, though the goitre was a large one and difficult to remove. I am indeed very grateful to my friend, Dr. Coppinger, for having directed me to the Hot Lake Sanatorium. I am truly thankful that I followed the advice of friends and brought my daughter here and cheerfully recommend the Hot Lake Sanatorium to my friends as a place where they will receive scientific treatment as well as honest consideration. Yours very respectfully,

JOHN HALLORAN

The Hot Lake Sanatorium is located on the main line of O. R. & N. railway, 114 miles east of Portland, and all trains stop there. Special rates are always in effect on all roads.

Read in December Sunset Magazine "San Francisco, the Exposition City." Superbly illustrated in four colors. Now on sale, all news stands, 15 cents.

Weakened systems need a mature, wholesome, mellow liquor. That's precisely what the I. W. Harper whiskey is. Perfect as a beverage or medicine. Absolutely pure. Sold by J. C. Monahan.

Shirley & Glaeser, graduate opticians.

## Did You Ever Stop to Think?

THAT the better the quality of the flour, the LESS it takes in the routine of baking?

That POMEROY FLOUR contains more of the elements that give strength to flour than any other flour on the market?

That POMEROY FLOUR is guaranteed to give perfect results in every way or money refunded? (This guarantee is strictly reliable. Ask your merchant about it.)

That POMEROY FLOUR is for sale in all of the principal stores in Colfax?

Stop long enough to think about this and then order a sack.

## You Can Work Near a Window

in winter when you have a Perfection Oil Heater. It is a portable radiator which can be moved to any part of a room, or to any room in a house. When you have a

**PERFECTION**  
SMOKELESS  
OIL HEATER

Absolutely smokeless and odorless

you do not have to work close to the stove, which is usually far from the window. You can work where you wish, and be warm. You can work on dull winter days in the full light near the window, without being chilled to the bone.

The Perfection Oil Heater quickly gives heat, and with one filling of the font burns steadily for nine hours, without smoke or smell. An indicator always shows the amount of oil in the font. The filler-cap, put in like a cork in a bottle, is attached by a chain. This heater has a cool handle and a damper top.

The Perfection Oil Heater has an automatic-locking flame spreader, which prevents the wick from being turned high enough to smoke, and is easy to remove and drop back, so the wick can be quickly cleaned. The burner body or gallery cannot become wedged and can be unscrewed in an instant for reworking. The Perfection Oil Heater is finished in japan or nickel, is strong, durable, well-made, built for service, and yet light and ornamental.
