**ANTI-INJUNCTION
FAILS OF PASSAGE
IN CALIFORNIA**

SACRAMENTO, Cal., April 12.—The Flaherty anti-injunction bill, modeled after the Clayton law, has been defeated in the State Senate. A similar bill was passed by the Legislature two years ago, and was vetoed by Governor Stephens.

The author of the bill is a member of the Cement Finishers' Union, San Francisco, and in urging his colleagues in the Senate to regulate strike injunctions, answered the claim that it is useless to pass the bill because the governor will veto it.

"Permit me to call your attention," said Senator Flaherty, "to the fact that the present Federal immigration act, containing the literacy test for immigrants, was vetoed by three Presidents and was finally passed over the veto of President Wilson. And today, as a result of the lessons taught by the war, the American people are fairly unanimous in demanding even more stringent immigration restriction than was urged so persistently for all these years by the American Federation of Labor.

"We ask for this law because no weapon has been used with such disastrous effect against trade unions as the injunction in labor disputes. By means of it the workers have been prohibited under severe penalties from doing what they have a legal right to do. It is difficult to speak in measured tones and moderate language of the viciousness with which unions and trade unionists have been assailed by the injunction, and to the working people of California, and to all fair-minded men, it seems little less than a crime to tolerate it longer.

"I want to assert that the organized people of California ask no immunity for themselves or for any other one who may be guilty of any unlawful act.

"We do maintain, however, that we have a right to insist, and we

**THE SOLDIERS' AND
SAILORS' COUNCIL.**

Firm the Tribune of Tuesday:

The first meeting of the new Soldiers and Sailors' Council, Local No. 3, which has been formed in Everett, was held in the new home of the Council at 2922 Rockefeller Avenue, last evening, at which time the Council was formed. The charter of the new organization has been granted, but has not yet been printed, according to the Press Committee. A good attendance is reported for last evening.

The new Soldiers and Sailors' Council is the one which was endorsed two weeks ago by President Short, of the State Federation of Labor, and by the Central Labor Council, the Metal Trades and Building Trades Councils of this city. It will operate with organized labor.

The Council has opened its new quarters, a rest room for service men, and asks the co-operation of the public in furnishing magazines, furniture and other articles to equip the hall. The Soldiers and Sailors' Council stands ready at any time to aid service men, but is also organized for social purposes. A dance will be given later by the Council.

A meeting will be held at the hall next Tuesday evening and all ex-service men are invited to attend.

Mrs. W. D. McMullen, Puyallup, Wn., says that she has been cured of gall stones without operation by taking the treatment of Dr. Mellenthin & Co. and is very grateful. Dr. Mellenthin & Co. will be in Everett, Mitchell Hotel, Friday and Saturday, May 2 and 3. Hours: 10 A. M. to 4 P. M. adv.
