

AMONG THE EXCHANGES OF THE INLAND EMPIRE

Sign Temperance Petition. The temperance meeting last night in the Presbyterian church was the greatest of the series.

The address of Mr. Nichols was considered the best of all. The audience hung on every word and at the close he was heartily applauded.

Those who heard it say he made out a clear case.

As to the constitution of Idaho, he said: "The first concern of all good government is the virtue and sobriety of the people and the purity of the home."

Petitions were presented at the close of the meeting, and many signatures secured asking for a prohibition ordinance.

Big Land and Sheep Deal. Fred Falconer completed a big land and sheep deal Thursday.

The Pine Creek ranch that figured in the foregoing deal is one of the best stock ranches in the county and the new owners will make a handsome profit on it.

Mr. Falconer is optimistic over the outlook for the sheep business, notwithstanding the low price for mutton in the eastern markets.

All Wallowa county wool is being held for the sales day at Elgin on July 9, and as Wallowa county wool

is the best in Oregon the major part of the clip ought to bring above 15 cents.

That Baker City is to have one of the finest depots on the Pacific coast was made known today by J. P. O'Brien, general manager of the O. R. & N. company.

The big army tent of the G. A. R. reunion was erected today and is located just back of the arbor adjoining Seider's candy store.

Not a great many are expected to arrive before tomorrow evening, as the first day will be given over to the registration and reception of visitors.

That Baker City is to have one of the finest depots on the Pacific coast was made known today by J. P. O'Brien, general manager of the O. R. & N. company.

The excursionists returned to the city yesterday evening, loud in their praises of the entertainment provided by the committee which had the picnic in charge.

Mrs. S. L. Bowen of Wayne, W. Va., writes: "I was a sufferer from kidney disease, so that at times I could not stand straight. I took Foley's Kidney Remedy. One dollar bottle and part of the second cured me entirely."

George A. Day, state land commissioner, is in the city on a trip to the southern part of the state and from Gooding, where he attended the sale of state land held at that place Monday on which day he reports that 2150 acres of choice land was sold for upwards of \$100,000.

Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure.

State of Ohio, City of Toledo, Lucas County, ss. Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure.

Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces of the system.

W. R. Ward of Dyersburg, Tenn., writes: "This is to certify that I have used Foley's Urino Laxative for chronic constipation and it has proven without a doubt to be a thorough, practical, remedy for this trouble, and it is with pleasure I offer my conscientious reference." Pendleton Drug Co.

Two Hundred and Fifty Indianans Gathered at Meador Park. The Walla Walla Union says of the Hoosier picnic at Meador Park this week, which a number of Pendleton people attended:

A large number of "Hoosiers" attended the picnic given at Meador park yesterday and one of the most pleasant days enjoyed by many of the members of the new club, was spent beneath the shade of the trees.

Interurban cars carried the "Hoosiers" from this city, and so many desired to attend the first annual picnic that it was found necessary to put the trailers into commission.

THE AMOUNT OF YOUR "BELIEF IN ADVERTISING" WHICH IS PUT INTO TYPE IS WHAT COUNTS.

There is probably a clothing ad in today's paper that will remind you that your new suit is overdue.

It won't pay you to try to deal with a buyer who wants your property only half as much as "the right man" would want it.

Your store is NOT "big enough," or prosperous enough, unless your ambition and aspirations are under-sized.

If you have lived too long in one place, look at the furnished rooms advertised today—and get a change of scene.

Any quest by which you can make a "new test" of want advertising today? Think it over.

There never was a day in any calendar when adequate advertising would do more for your store than it will today.
