MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

IF TONGUE IS COATED, BREATH BAD, STOMACH SORE, CLEAN LIVER AND BOWELS.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out of sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to clean the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs"; then see that it is made by the "California Fig Syrup Company."

Consent is to the character what paint is to beauty; it is not only needed, but it imparts what it is supposed to improve.

CONSCIENCE DRIVES BAD CHECK PASSER TO CONFESSION

Youth Restores Clothes and Part of Money Obtained. Wants to Make Good.

DENVER, March 10.—G. E. Doloff, 19, is a prisoner in the city jail because his "conscience wouldn't let him rest" after he had passed a worthless check for \$14.75 on the proprietor of a second-hand clothing store at 419 Fifteenth street.

Doloff passed the check yesterday, obtaining a suit of clothes valued at \$7 and \$7.75 in cash. This morning before his victim discovered the check was worthless, Doloff was back at the store with the suit of clothes and \$3 of the money.

"I spent the rest of the money," he said, "but I'll make it good if you'll give me a chance. I was hungry yesterday and desperate for money, but my conscience wouldn't let me rest after I passed the check."

The clothier called Patrolman Kratke, who sent Doloff to jail. He will be held pending a conference between the clothier and Mrs. Frances E. Osborne, proprietor of the Hotel Belvoir, 757 East Sixteenth avenue, whose name he forged to the check.

"It seems to be a pretty decent sort of a fellow and I think we may be able to fix things up for him," said Deputy Chief of Police Rinker. Doloff says he came to Denver several months ago, but declines to tell anything concerning his family. Inability to get steady employment plunged him into poverty, he asserts.

Many a man has become rich the way a pumpkin acquires girth—by vegetating.

NOT BOTHERED ANY MORE.

So-called rheumatic pains, aches or cramps, lame back, sore muscles or stiff joints are the result of over-worked, weak or disordered kidneys. E. L. Turner, Homer, Ky., writes: "After being treated by doctors two years, I decided I would try Foley Kidney Pills. Since taking them I have not been bothered any more." Foley Kidney Pills strengthen weakened kidneys and help them rid the blood of acids and poisons. Why suffer from kidney or bladder trouble when relief costs so little effort and expense?—Adv.
