Would You Run on a Flat Tire?

Suppose your front tire went flat ten miles from home.

You would not bang and bump along after you knew that every turn of the wheel was tearing the life out of the casing.

Why not be as reasonable about your battery?

The penalty for mistreating a battery is just as sure as for abusing a tire. The care is just as easy.

Drive into our Service Station and let us tell you just how easy it is.

EAST OREGONIAN SPECIAL NEWS OF UMATILLA CO.

Attempt is Made to Rob Rieth School

(East Oregonian Special.)
RIETH, Feb. 22.—The Rieth school house was forcibly entered last Saturday and Principal Roork's desk forced open and considerable damage done to the desk itself. The damage is thought to have been prompted by a desire to secure the funds of the local Boy Scouts' organization of which Mr. Roork is leader. The money was in the desk but was overlooked. The teachers have a pretty clear idea of who the guilty parties are and several boys may find themselves in rather serious trouble if their conduct does not take a turn for improvement.
Alex Burt is again at work after a long illness.
Mrs. A. H. Davis was a guest of Clarence Morgan's family Monday.
Marion Hickson of Pleasant Valley is visiting with John Heath and family.
F. Gable, recently mustered out of

service, stopped for a visit with W. Roork. Mr. Gable says that while he did not cross the pond he is entitled to service stripes, having been sent to Iowa for training.

M. Hoskins is not on the works. He has a telegram that his son-in-law Lois Enchehart, will return on train 19 this morning after several months in the service of Uncle Sam.

Mrs. H. Williams expects to take charge of the boarding house at present conducted by Mrs. Burns on March first.

E. M. Throckmorton has been sick for several days.

Congratulations are being extended to Mr and Mrs. A. R. Riggs for a long and prosperous future. Mrs. Riggs was formerly Miss Birdie Heath who has a host of friends both here and in Pendleton. A notice to the effect that a license was granted to A. R. Riggs and Birdie Heath appeared in the Oregon Daily Journal of February 21 is the first news received here that the young couple had surprised their friends.

IN BLOOD DISEASES

Like Scrofula, Eczema, and Many Skin Troubles.
As well as a general Spring medicine for catarrh, rheumatism, dyspepsia, Hood's Sarsaparilla is of great value to men, women, children. It does its thorough work in these well-defined diseases by cleansing the blood, on the pure, healthy condition of which depend the vigor and tone of the whole system.
Hood's Sarsaparilla is equally successful in the treatment of troubles that are not so well defined—cases of a low or run-down condition or general debility, loss of appetite and that tired feeling, or cases in which we see now very plainly after-effects of the worry and anxiety caused by the world war and the debility following the grip, influenza and fevers. In all such ailments it has accomplished a wonderful amount of good. Hood's Pills help as a stomach-softening, digestive cathartic.
