### "GEORGE W. SCOTT COMPANY."

One of the best repertoire companies on the road is coming and will hold the boards at the Opera House 3 nights commencing Monday, April 13. Probably the uppermost reason why this company so quickly wins their way to the hearts of the people is because of their originality. Their repertoire of society dramas, comedies and melodramas, all of which are Royalty plays, bear no resemblance to any plays you have ever seen, and yet they are just as you think they should be, which makes you wonder why some one else did not offer you the same class of attractions long ago.

High class, modern vaudeville between acts at each and every performance, is one of the features of this organization. The opening bill will be Hal Reid's great play, "Ranoke." Sensational prices, 25c, 35c and 50c.

This Bank has an authorized  
CAPITAL of \$100,000.00.

An authorized and subscribed Capital is a convenient thing—good thing for advertising purposes, but to be perfectly honest, and tell our patrons the truth, it really counts for little. We could have had, just as easily, a Subscribed Capital of \$500,000. It would not have cost us one cent more.

What our patrons are really interested in knowing is, this Bank has invested in its business, of ITS OWN MONEY, \$58,000.00 OF CASH PAID IN CAPITAL and undivided profits. That is the reason this Bank is prepared to take good care of your business. And we assure you that MORE CAPITAL WILL BE PAID IN as soon as we believe it can be safely and profitably invested.

## MISS MAY MARKELL,

A Society Belle of London, Canada.

MISS MAY MARKELL of London, Ontario, Canada, is a beautiful girl who knows what suffering is and Wine of Cardui has brought her back to health. She is one of the social favorites of her home and her recovery to health has permitted her to enjoy the company of her many friends instead of lying on a bed of sickness and suffering. For the health she now enjoys she gives credit to Wine of Cardui. She writes:

Miss May Markell.

"I have found Wine of Cardui an excellent remedy for female trouble. I suffered for three years with terrible bearing-down pains at the menstrual period. I could hardly stand on my feet and was never real well. Wine of Cardui was the only medicine that I could depend on to do me any good, as I tried several with no success. Wine of Cardui cured me and I have now enjoyed perfect health for two years, and give you all the credit for I know you deserve it."

For a young girl Wine of Cardui is the best remedy to guide her through womanhood by starting the menstrual

flow in a healthy and natural manner. Menstruation started right is very easy to keep regular through the years of mature womanhood. Then the "change of life" need not be feared. Thus Wine of Cardui is woman's best relief from youth to old age. A million women have secured blessed relief from their sufferings by taking this treatment. It relieves menstrual troubles in an incredibly short time. In a simple case of deranged menses Wine of Cardui never fails. To relieve disordered menses is to remove the cause of other female troubles. Any physician will tell you that to remove the cause of a disease renders the cure easy, in fact seldom fails to complete the cure. If you would have the same relief which Miss Markell secured try Wine of Cardui. You can take it without an examination and without any publicity whatever. You can take it in the privacy of your home and secure just as much benefit as if a doctor had prescribed it for you. Thousands of women are feeling the vigor of returning health by taking Wine of Cardui.
