Mrs. Harvey Burks, Harrisburg, Illinois. Cured by "ZEMO" After Five Years' Torture.

WHY?
SUFFER
THE
TORTURE OF
ECZEMA OR ANY
SKIN DISEASE
WHEN THIS
GOOD MEDICINE
+ ZEMO +
HAS NEVER
FAILED TO CURE

E. W. ROSE MEDICINE CO., St. Louis, Mo. HARRISBURG, ILL., May 12th, 1906.
DEAR SIR: Believing that "ZEMO" saved my arms, if not my life, I will gladly tell all
sufferers from eczema what your good medicine did for me. I suffered six years from a torturing
case of itching eczema of both arms. I tried eight different doctors, and every eczema cure I
could hear of without relief. The disease grew worse and spread to my neck and breast; my
arms had great holes eaten in them; I soon became an invalid and was confined to my bed part
of the time. My husband bought a bottle of "ZEMO"; the first application stopped the itching,
and I began to improve; in six weeks and one day the disease had disappeared, and my arms were
clean and smooth as my picture will show, before and after using "ZEMO." My arms were so bad
some of my friends wanted me to have them taken off, but I would not agree. I am now entirely
cured and have gained ten pounds in weight, and feel better than I have felt in many years.
I consider my quick recovery by using "ZEMO" nothing
short of a miracle. I will gladly answer all inquiries
and recommend "ZEMO" to all persons suffering from
any itching skin disease. Yours gratefully,
Mrs. Harvey Burks.
