

THE GIRLS WIN AN EASY GAME

All American Ladies Base Ball Team Defeat Newport Boys by Score of 8 to 4.

Ability to toss the ball and hit the sphere is by no means confined to the masculine sex, is now the settled conviction of the Newport ball team, who went down in defeat to the score of 8 to 4 in a fair game at Sportsman's park Wednesday afternoon, when they had for opponents upon the diamond, the "All American Ladies Baseball club," who are en route to California to play the winter season and taking engagements with local teams en route in order to make traveling expenses.

A muddy field spoiled the sport and prevented a fast game, for there were many errors upon either side as a result of weather and the slippery footing underneath.

The ranks of the visiting players contained some real talent, their star being Miss H. Murphy, who besides good work in the field, scored two of the runs made. In four times up, she was able to draw two passes to the initial base and stole another.

Miss Fay started the game in the pitcher's box, but could not get her curves to working right and was replaced by Lieberman in the second inning. Ryan too, who has always been a classy twirler for the locals was not in form and Tebo was sent to the firing line in the third inning.

The All American club conducted themselves as ladies throughout the game and left Thursday morning for Russellville, their next engagement.

Sixteen Superintendents Meet.

Special to Independent.

Little Rock, Oct. 9.—There are

about sixteen county superin-

dentents and county examiners

attending the state conference

of county superintendents at

the Department of Education,

closing this afternoon. They

are discussing many subjects of

immediate interest to the schools

of the state.

Among those attending the

meeting is J. W. Kuykendall,

superintendent of the Fort

Smith City Schools, and a mem-

ber of the State Board of Edu-

cation. When asked if he would

be a candidate for State Super-

intendent, he said:

"I have been urged to make the

race and I am seriously con-

sidering it. If I am convinced

that it is to the best interests

of the schools of the state, I am

willing to make the financial

sacrifice."

Duel to the Death.

Fort Smith, Oct. 8.—Answering a knock at his door only to be met by a bullet which struck him down, fatally wounded, W. B. Burnett of Athens, Howard county, lived long enough to return the fire, killing his assailant, Fred Stover of Bonham, Texas, according to reports received here today from Athens.

The duel, which resulted in the death of both men, occurred yesterday afternoon. According to reports Stover had been separated from his wife and daughter for several months and they had been living at Burnett's home. Stover is said to have gone to Burnett's home with the hopes of inducing his wife and daughter to return with him to his home in Texas. Stover, according to reports, first called, but Burnett did not hear him and Stover then knocked on the door. Burnett opened the door and when Stover saw him, both attempted to draw their weapons, it is reported.

According to reports, Stover fired the first shot, the bullet striking Burnett near the heart. The sound of the shots brought Stover's daughter rushing to the door, but before she could interfere, Burnett, with his last dying strength, shot Stover, who, in turn, fell with a bullet in his body, living but a few minutes.

THE JURY'S VERDICT

FOUR CHARGED WITH BURGLARY

Officers Believe They Have Men In Jail Guilty of Recent Burglaries.

Dave House, the boy once charged with being a party to the burning of the R. C. Horton mill, Frank Gullette of Strawberry, R. O. Massey and a barber named Parker, who worked in the shop next door to O'Neal's Saloon, have been jailed by the officers on the charge of burglary.

Their preliminary hearing has been set for 3 o'clock Thursday afternoon before Esquire H. C. Nuckolls and the officers believe that they have a good case against the prisoners. Young House has confessed his own guilt and implicates the other three in his story.

According to the boy, who tried to buy a saw from Johnson-Avera Hardware Company with a quarter which he claims was money furnished him by Parker, the saw later used was purchased by Frank Gullette and the four went down the street together about 9 o'clock Monday night.

The boy says two of them went through Bullard's pool hall and the other two through Bailey's saloon to the alley. According to their story, they ran into some negroes there, one of whom was Webb Poindexter, who confirms this part of his confession. Two of the party, he says, stood guard, while the others worked. In sawing through the bars at the rear of Balmaz' store, the blade was broken, and then it was, according to House, that one of the men found that the door could be opened with a key he carried. House says that when the burglars could not find any money in the store, they left without taking any goods.

House, Massey and Parker were arrested here by Officers Carouthers, Payne, Adkinson and Wood, while Gullette was arrested at the mouth of Strawberry Wednesday evening and brought to Newport via Swifton next morning by Constable Wood and Deputy Hasting.

None of the goods stolen from Wilmans Mercantile Company at Diaz were recovered, but the bicycle of Adran Balmaz was found in the hold of the Gullette boat. The three men implicated by the story of House deny that they were with him and will seek to establish an alibi.

Five Jurors Are Chosen.

Walnut Ridge, Oct. 8.—Out of the regular panel, but five jurors were secured today in the trial of Dr. J. C. Hughes, accused of assault with intent to kill for an alleged attack on Solon Crook, September 7, 1912. Judge Eugene Lankford issued a special order to Sheriff J. E. Owens to bring in a special venire of 20 men by 8 o'clock tomorrow morning.

Even if Rockefeller can raise \$10,000,000 on his check any minute, he isn't the financier that the fellow is who raises a family on \$9.00 a week.

But no matter whether you earn \$9.00 or \$50.00 you'll find several reasons why you'll be best satisfied if you'll get your clothes of Bergers

The man who doesn't have to care about the cost of his clothes can get perfect satisfaction at many stores, but the fellow who wants to spend his money carefully had better come here. He will get that "something" in his clothes that make for a better personal appearance and at a price he can easily afford. Honestly, we don't believe there is a store anywhere where you can get so much style-value, wear-value and satisfaction-value at ordinary prices.

But don't take our word for it—ask some of your friends. Better still—come and see for yourself.
