CONGRESS ASKED TO INCREACE THE NAVY

SECRETARY DANIELS LAYS PLANS BEFORE THE HOUSE NAVAL COMMISSION.

been asked by the navy department to dark brown and white and the elfmiclosed tonight by Secretary Daniels at. and color restrictions imposed upon ter his appearance before the house ropriation.

This authorization is asked for the next fiscal year and is in auddition to next year for construction wodk on th three year program, in addition to State Savings Association and Edsels already authorized.

Secretary Daniels, prescribes specifi numbers of battleships and battle cruisers only there being ten battle hirs asked for and six battle cross

ng the life of the program, the de-

continuation of the policy adopted in of the plaintiff, Gus Strauss. policy adopted by this government and which has met with the entire approv Berry H. Randolph, Att'y for Plaintiff al of the American people of building in a navy strong enough to meet a requirements.

This program, if authorized by cor an and allied armies or no absten- and battle craisers authorized in the ation from attack upon the retreating first three year program will be unoe, except upon the terms of the allexcelled by those of any other navy ied and American military leaders, and the country may rest assured that Terms of evacuations, it is pointed out, in the new construction authorized our powerful and effective of fight craft.

The three year program adopted in 916 provided for ten battleships and Americans and allies of such strateg- six battle cruisers. Now we ask for etic lines and strongholds as General as many more, to be built as those formerly authorized are completed and facilities become available.

The total expenditure on this pro ram is \$60,000,000, the provision for he first year being a third of this \$200,000,000. This is exclusive of ex timates for emergency applications fo iew vescsels to be built under war orgency, which total \$140,000,000 and dso of estimates for continuing and pushing the old program, the emergency construction of destroyers un

ler way, etc. Including the \$600,000,000 frow which of the department for ship construct ion, including armor and armament

amount this year to \$972,090,000. The total amount I recommended to appropriation next year for ship con struction that is for completing ves els already authorized and for nevessels is \$575,090,000.
