

MEXICANS KILL 206 CHINESE

TERRIBLE MASSACRE OF DEFENSELESS PEOPLE WHEN TORREON IS CAPTURED.

SHOT WITHOUT MERCY

CHINESE MINISTER AT WASHINGTON WILL INVESTIGATE THE SITUATION.

Mexico City.—Official reports reaching here tell the story of a massacre of 206 Chinese at Torreon, following the rebel occupation.

Upon receipt of the news the Chinese charge d'affaires made formal representations to the Mexican government.

The details of the three-day battle and sacking of Torreon are replete with incidents of cruelty which show clearly that the rebel leaders did not hold their men in control, or else deliberately turned them loose to prey upon a conquered and defenseless people.

The official advices do not give the number of dead, but taking the 206 Chinese as a basis, it is certain the number is larger.

The last day of the battle was May 15th. That day Gen. Lejero retired with his federal forces and the rebels entered the city.

Citizens found themselves utterly unable to control the mob and reports indicate that scores of innocent residents were victims. Always antagonistic to the yellow race, the Mexican rebels and mob engaged in a race riot. A great part of the business of Torreon is conducted by Chinese, some of whom are wealthy, and, according to reports, the rioters shot down or stabbed them without mercy.

That the Chinese charge d'affaires will be able to secure indemnity for many of the victims is doubted here, for it is a fact that since Sir Chen-tung Liang Cheng visited this country five years ago and advised his countrymen to become Mexican citizens, almost all have taken out naturalization papers.

The minister of foreign relations, de La Barra, has not received any word from Judge Carbajal that Francisco I. Madero had finally approved the Cabinet as suggested. So soon as Madero's acceptance is received, it may be assumed that President Diaz will present his resignation to the Chamber of Deputies.

As soon as the depredations against Chinese subjects at Torreon, Mexico, are officially reported to the Chinese minister at Washington, who also is accredited to the Mexican government, he will take steps to protest.

It is expected that Mexico will take prompt measures to investigate the situation with respect to the Chinese and offer them all protection possible in the present disturbed condition of the country.

Pleas for Wool Grower.

Washington.—A. J. Knollin of Soda Springs, Idaho, has appeared before the Senate Finance committee in opposition to the Canadian reciprocity treaty.

Mr. Knollin, who is vice president of the National Wool Growers' Association, said the provision of the treaty providing for the duty-free admission of meats would seriously cripple the live stock business of the West, both in sheep and cattle growing.

YEARS OF INTENSE SUFFERING

How a Bad Case of Kidney Trouble Was Finally Routed.

Mrs. John Light, Cresco, Iowa, says: "For years I was an intense sufferer from kidney disorders. The kidney secretions passed irregularly, my limbs

were badly bloated, and feet so swollen I could not wear my shoes. I tried many remedies but became discouraged as nothing helped me. Then I began taking Doan's Kidney Pills and soon noticed improvement.

I continued until I could rest well at night and the kidney secretions became normal. I do not believe I would be alive today were it not for Doan's Kidney Pills.

Wanted an Officer.

The sheriff was snoozing away in his seat in the coach, when he heard some one call out: "Is there an officer in the coach from New Castle?"

"Yes," replied the sheriff very emphatically.

"Loan me your corkscrew, please, sir," calmly continued the drummer.

Backache

Is only one of many symptoms which some women endure through weakness or displacement of the womanly organs. Mrs. Lizzie White of Memphis, Tenn., wrote Dr. R. V. Pierce, as follows:

"At times I was hardly able to be on my feet. I believe I had every pain and ache a woman could have. Had a very bad case. Internal organs were very much diseased and my back was very weak. I suffered a great deal with nervous headaches, in fact, I suffered all over. This was my condition when I wrote to you for advice. After taking your 'Favorite Prescription' for about three months can say that my health was never better."

YOUNGSTER TRY THIS FREE

The family with young children that is without sickness in the house now and then is rare, and so it is important that the head of the house should know what to do in the little emergencies that arise. A child with a serious ailment needs a doctor, it is true, but in the majority of instances, as any doctor knows, the child suffers from some intestinal trouble, usually constipation.

There is no sense in giving it a pill or a remedy containing an opiate, nor is flushing of the bowels to be always recommended. Rather give it a small dose of a mild, gentle laxative tonic like Dr. Caldwell's Syrup Pepsin, which, by cleaning out the bowels and strengthening the
