**TORPID LIVER, DIZZINESS
INDIGESTION, CONSTIPATION**

All These Troubles Relieved in One Family By The Use of Theford's
Black-Draught. Nothing Found That Could Take Its Place.

Springerton, Ill.—Mr. W. F. Rister, ought to know. This is given volun-
tarily. "For fifteen
years we have used Theford's Black-
Draught and have not as yet found
anything that could take its place. I
have used it for indigestion a number
of times and it gives relief. For sour
stomach, and a heavy, bloated feeling,
it is splendid. And when the liver
gets torpid, so that you stoop and
raise up suddenly you feel dizzy, a
few doses will set you straight. We
keep it and use it for constipation and
the above troubles and find it most
satisfactory.
I can recommend it to others and
gladly do so. For the number of a package costs one cent a dose. All
years I've used Black-Draught now, I druggists. (J2-9)
