ROBERT H. HIGGINS

Robert H. Higgins, former State treasurer, who received the high designation at the Democratic state assembly for the office of governor, has the entire confidence of the business interests of the state and genuine affection of the working people, and this of course includes the farmers. He possesses the particular ability needed at this time for bringing together the representatives of capital who furnish employment and those who will be employed to keep the wheels of industry moving. The big domestic problem is to re-establish confidence between capital and labor, not only in the state of Colorado, but thruout the United States.

Personally, "Bob Higgins is a plain, unassuming gentleman, who is not dominated or dictated by any class or faction. He served for several terms as county commissioner of Pueblo county and has been affiliated with the good roads movement, besides serving several positions of trust at the state house.

His is a soul of honor and if he is the choice of the people of this state at the coming election, Colorado will have a man big enough, broad enough and competent enough to give us a real honest-to-goodness administration.

He only accepted the honor thrust upon him at the Democratic state assembly at the earnest solicitation of his closest friends, who know him to be the big man for the big job of the state. He is not spending any wad on the election and is allowing his name to go before the Democratic primary on his past record in public life, which is unblemished. His word is a gold as his bond, that the editor of the Record firmly believes. Four years ago we had the pleasure of campaigning thru this paper for our good old friend, and heard him remark to a number of our citizens that he would only be a candidate for that position one time. Of course he was elected to the position and at the end of two years as state treasurer, refused to allow his name to be mentioned in the assembly two years ago.

It's plain "Bob" Higgins a fine gentleman, a friend of the farmer at all times, and a man who can be entrusted to the duties of this high office. Place a cross X opposite his name when you go to the polls on September 14.

Notice is hereby given to the legal voters of Cheyenne County, that the Boards of Registry of the various voting Precincts will meet on the following days, and remain in session between 7 o'clock A. M. and 7 o'clock P. M.

Tuesday, September 7th, 1920, Monday, September 13th, 1920.

Tuesday, October 19th 1920 Monday, November 1st 1920.

You will not be permitted to vote at the coming Primary or General Elections unless you are registered.

And in accordance with Section 2168, Election Laws of 1920, you shall on the date of the next ensuing Election, be over the age of 21 years, and shall have been a resident in the State of Colorado at least 12 months, and in the County 90 days, and 10 days in the Precinct.

The Names of the Judges of Election serving on Boards of Registry of the various precincts are as follows:

Precinct No. 1 J. M. Nesbit, Lyman Waltman and Mary L. Prior.

Precinct No. 2, J. L. Forker, J. B. Sullivan and J. A. Jenkins, Precinct No. 3, Belle Parker, J. C. Dieckman and W. W. Thom as.

Precinct No. 4 D. C. Fuller, Mrs. Walter Keeling and Clarence Etter.

Precinct No. 5 Mrs. Della Burnett, C. R. Townsend and George Clossen.

Precinct No. 6 Chas. Heath, John McIntyre and Charles Cleveland.
