Rheumatism Cured in a Day.

"MYSTIC CURE" for RHEUMATISM and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 cents. Sold by E. J. Eldridge, druggist, Americus, Ga.

The trouble with most men is that they have to die before they are fully appreciated.

The laws of health require that the bowels move once each day and one of the penalties for violating this law is piles. Keep your bowels regular by taking a dose of Chamberlain's Stomach and Liver Tablets when necessary and you will never have that severe punishment inflicted upon you. Price, 25c. For sale by Dodson's Pharmacy and J. R. Hudson.

Some people you meet act as though they imagined you were responsible for the weather.

What most people want is something mild and gentle, when in need of a physic. Chamberlain's Stomach and Liver Tablets fill the bill to a dot. They are easy to take and pleasant in effect. For sale by Dodson's Pharmacy and J. R. Hudson.

It isn't so much that a man thinks as what he does that counts.

Chinese are dangerous enemies, for they are treacherous. That's why all counterfeits of DeWitt's Witch Hazel Salve are dangerous. They look like DeWitt's, but instead of the all-healing witch hazel they contain ingredients liable to irritate the skin and cause blood poisoning. For piles, injuries and skin diseases use the original and genuine DeWitt's Witch Hazel Salve. W. A. Rembert.

Patience is the support of weakness; impatience is the ruin of strength.

"My baby was terribly sick with the diarrhoea," says J. H. Dook, of Williams, Oregon. "We were unable to cure him with the doctor's assistance, and as a last resort we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. I am happy to say it gave immediate relief and a complete cure." For sale by Dodson's Pharmacy and J. R. Hudson.

When a woman neglects her husband's shirt she is no longer the wife of his bosom.

"Through the months of June and July our baby was teething and took a running off of the bowels and sickness of the stomach," says O. P. M. Holliday, of Deming, Ind. "His bowels would move from five to eight times a day. I had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house and gave him four drops in a teaspoonful of water and he got better at once." Sold by Dodson's Pharmacy and J. R. Hudson.

FATALITY FOLLOWS FAILURE to use Foley's Kidney Cure in time. If taken in earlier stages of Bright's disease and diabetes, it is a certain cure. You have noticed the high death rate from these diseases, and it is not wise to ignore early symptoms when a sure medicine like Foley's Kidney Cure can be had. Davenport Drug Co.

If everybody got what they deserved, you might not be nearly so well off as you are.

The wolf in the fable, put on sheep's clothing because if he traveled on his own reputation he couldn't accomplish his purpose. Counterfeiters of DeWitt's Witch Hazel Salve couldn't sell their worthless salve on their merits, so they put them in boxes and wrappers like DeWitt's. Look out for them. Take only DeWitt's Witch Hazel Salve. It cures piles and all skin diseases. W. A. Rembert.

When the small boy gets the marble fever he stoops to conquer.

FOR WHOOPING COUGH.

"Both my children were taken with whooping cough," writes Mrs. O. E. Dutton, of Danville, Ill. "A small bottle of Foley's Honey and Tar gave such relief that I used a 50 cent bottle, which saved me a doctor's bill." Nothing else so good. W. A. Rembert.

The original bunco man probably came over in the steerage.

Millions will be spent in politics this year. We can't keep the campaign going without money any more than we can keep the body vigorous without food. Dyepeptics used to starve themselves. FOR CONVENIENCE OF READERS.

Some of the Stories Heard Yesterday and Briefly Retold.—What Was Said and Done in the Town in a Day.

The Ladies Aid and Missionary Society of the Presbyterian church will meet at their church on Monday afternoon at 5 o'clock.

If corn brings 40 cents per bushel, and that price is not extravagant, the crop of 1900 would represent a money value of \$600,000,000.

Mr. Elton C. Parker has leased the desirable residence on Church street, where Capt. McKenzie formerly resided, and will occupy it shortly.

Mr. W. P. Campbell, who will represent Well & Co. cotton factors, in Americus, is having offices fitted up in the Holt building on Lamar street.

Joe Floyd was anchored inside the brick walls of the bastille yesterday. He is wanted for assault with intent to murder, and was nabbed yesterday in Schley county.

The Bank of Southwestern Georgia advertises elsewhere some valuable city property for sale or lease. It will pay you to read this offering if you are in search of fine property.

Church street is a misnomer as applied to that thoroughfare. There are a half dozen churches on Lee street and none on Church street, but the old name clings just the same.

The weather remains provokingly fair and distressingly hot, and a virtuous howl for the promised rains of dog days will be heard before J. Playins again tips the watering pot.

The streets presented quite a busy appearance yesterday morning and merchants had a satisfactory trade. Often in years past Americus has been much duller than at present.

The contract price of cotton continues to sag just a little on the strength of better reports from "the belt." The market drops with more apparent ease than it advances.

The revival in progress at St. Paul's church, East Americus, has drawn good congregations throughout the week and the pastor, Rev. C. R. Jenkins, may carry on the meeting longer.

Glorious News.

Comes from Dr. D. B. Cargile of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face and the best doctors could give no help but her cure is complete, and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. To Contest the Will.

WASHINGTON, Ga., Aug. 3.—The will of the late Milton P. Reese will be contested by his only child, Mrs. Oliver M. Smith. This instrument was filed with the ordinary shortly after the death of Mr. Reese, which occurred about two weeks ago. FIGURED IN CHINESE ROMANCE.

Americus Man Befriends an Atlanta Celestial.

The recent prominence attained by an Atlanta Chinaman, Lum Ling, has caused Capt. John A. Cobb, of Americus, to recall him as an acquaintance whom he once befriended when connected with the Internal Revenue service three or four years ago. Ling wanted to go back to Peking to wed his wife, now with him in Atlanta, and Capt. Cobb arranged all the papers necessary for his return to this land of Hanna and Trusts. Ling was deeply grateful, and upon his return from China brought Capt. Cobb a sword and other mementoes, including his photograph, with autograph beneath. The autograph looks like a tangled handful of earth worms, but Capt. Cobb declares the inscription was made by Lum, and accordingly prizes it very highly.

Keep your system in perfect order and you will have health, even in the most sickly seasons. The occasional use of PRICKLY ASH BITTERS will insure vigor and regularity in all the vital organs. Dr. E. J. Eldridge.

GUNNERS ARE GETTING READY.

For Onslaught Upon Feathered Tribe Shortly.

Americus sportsmen are pleased to learn that the "dove crop" has not been cut short either by drought or excessive rains, and are eagerly waiting the coming of the 15th. inst., when the shooting season begins. According to the acts of 1893 and 1895, which are as yet unrepelled, it is unlawful to capture or to destroy in any way any wild turkey, pheasant, snipe or partridge between the first days of April and November; nor is it lawful to capture or to destroy in any way any wild dove between the first day of April and the fifteenth of August. It is also a violation of the law to shoot doves in a baited field, as has been done here in years past.

MEETING PLACE LOCATED.

One of the Conspirators Is Said to Be a Woman.

NEW YORK, Aug. 3.—Detectives have found the room in which it is claimed that the plot to kill King Humbert was formed. It is on the second floor of a West Hoboken, N. J., resort for anarchists, and is in the heart of the Italian settlement. The place has not been known as a meeting place for anarchists. There have been no public meetings held there, and the room where the men met was kept for the more secret conferences. The detectives say they learned from Socialists who attended a meeting at the place that less than four months ago two Italians, a man and woman, arrived in Hoboken and an important conference was held in this room. It is said Bresci was at this conference.

The police have also learned that Bresci was tendered a banquet just prior to his leaving this country, at which eight persons were present, three of whom—Salvatore Quintavalle and a man named Sassi and a man named Lenner or Lanier—who are now under arrest in Italy. The others are not yet known to the police, but most of them are soon likely to be discovered. One is said to have been a woman.

OBJECTIONS TO THE MARRIAGE.

Obstacles George Grubbs and His Lady Love Encounter.

Enfaula, Ala., August 3.—George Grubbs, a well known young man from near Louisville, reached the city late yesterday on foot. Mr. Grubbs was fleeing from irate parents to be married to Miss Mattie Abercrombie, from his neighborhood, who had accompanied him until within three miles of the city, when she became so fatigued that she could not proceed further. Upon making known his trouble, citizens here contributed and furnished him a hack and he rode out for his intended bride and reached Georgetown, Ga., just in time to meet a telegram forbidding the union. He then came here, where he met the same objection, and at this hour is wondering what to do. His age is given at eighteen years, and his bride at forty-five years, and they footed it a distance of thirty-one miles, leaving home yesterday morning at 2 o'clock.

A Minister's Good Work.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said, 'No.' I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured. SEVEN AMERICANS ESCAPE.

Were Chased Across the Desert by Chinese—Thousands Massacred.

TRITZKOSAWSK, Transbaikalia, Siberia, Aug. 3.—Seven American missionaries from Peking with their families have arrived here. They escaped from Peking and were chased across the sand and mountains of the Gobi desert for 400 miles, suffering fearful tortures from the hot sand, exposure and lack of food and water.

The Russian governor of Transbaikalia sent out 500 Cossacks, who galloped south 400 miles into the desert and recaptured them. The cavalry gave them food and shelter and brought them to Tritzkosawsk, where they are receiving care at the hands of the authorities. Thousands of the Christians have been massacred, they report, and thousands more will die at the hands of the Boxers unless the powers send large reinforcements.

The Chinese troops have been ordered to kill all Christians and burn their property.
