we bear to them, an offer of the president
kindly oflices to arrange any differenci which may exist between Colombia ani
Venezuela would be ineffective without the acquiescence of both,
Neverthless, inspired by the sentiments
which are common to ali governments of which are common to all governments of
the American republics, the United State
would sincerely deplore a breach of the would sincerely depiore a breach of hap-
amicable relations that at this time hap pity exists between the sister nations of
the western world, and would especially regret any action by either of them whic might menace the security of transit
aecoss the isthmus or the neutrality of its territory and thereby constrain the gov-
ernment of the United States to consider its responsibilities and functions under ex-
isting treaty engagements with Colombi isting treaty engagements with Colombia.
The text of Mr. Hay's telegram has not been made public. It is understood that
an acknowledgement of its receipt has en made by the Venezuelan governmen but its purport has not been made known,
although it is said to be friendly in tone,
and while charging invasion by Colombian and while charging invasion by Colombia
forces on the Venezuelan border and re ferring to the temporary suspension of
plomatic intercourse, which appears to open for explanations, Venezuela has n
declared war against Colombia. No a knowledgement has been received fro
Bogata, but this is supposed to be due the reported delays in telegraphic com-
munication between Bogata and the coast stations.
The whole human family is under 45 principal governments, of which only
six are absolute monarchies and 15 are Hilted monarchies.
