AMERICAN INTERESTS TO BE PROTECTED.

Capt. McRea of the Machins Lands More Men at Colon, and the Iowa, for the First Time, Lands Men at Panama-The Colombian Troops and the Liberals Fighting.

Washington, Nov. 25.-The United States government has taken charge of the isthmian transit. A dispatch received at the navy department from Capt. Perry of the battleship Iowa, at Panama, reports that fact. Capt. Perry says that Gen. Alban, with 600 men, is fighting the liberals on the line mear Empire. Transit is in danger of last occasion was about a week before interruption. Capt. Perry has laided with a detachment of men from the lowa, and has started, with a train, to clear transit, and also establish detackments of men to keep it so.

The Iown Lands Marines.

New York, Nov. 25.-Messages from the agent of the Panama Railroad & Steamship Co., at Colon, have been received here at the offices of the company. The cablegrams said that serious fighting was expected at Empire, a small place on the line of the Panama railroad. They also stated that the Machias, Capt. McCrea, had landed more men at Colon, and that the Jowa had for the first time landed marines at Panama. They also contained the information that the Colombian gunboat General Pinzon had arrived at Colon, under command of Capt. Iguacio Foriaco, with troops aboard from Cartagena, and that the threatened bombardment of the city of Colon was to take place, Monday at 3 p. m., New York time. They said the city was in the possession of the rebels, and that Capt. McCrea had forbidden the shelling of the town.

Washington, Nov. 25.-The state department has received confirmation of the reported defeat of the liberal troops by the Colombian government troops. This came in a cablegram from Consul-General Gudger, at Panama, in which he says the railroad is now unobstructed, and that the government forces have been victorious over the revolutionists. He further reports that the blue jackets from the Machias have gone inland, and now occupy a point midway of the isth-

took the shells out. Thomas M. Baker, an employe of the fish commission, who resided in the building adjoining the Kenmore, was then called, and testified that on the night of the tragedy he was awakened by the report of pistol shots. He jumped out of bed, went to the window and heard a voice from above inquiring what was wrong below. He replied that he had heard pistol shots. Then, while standing at his window he saw a figure on the fire escape just outside of Ayers' window. The figure walked the length of fire escape in his direction, and then descended two flights to the floor of the veranda, where it disappeared into a window. It was the figurge of a small woman, clad in dark, tight-fitting clothing. The woman wore no hat, and as he did not hear the fall of her footsteps, he judged she was in her stocking feet. He described the manner of her descent, which he said was very deliberate and without emotion.

He did not know the defendant at the time of the tragedy, but saw her about 1 o'clock of the afternoon of Shawangunk mountains, not far from that day.
