How to Tell If Your Hair is Diseased.

Even if you have a luxuriant head of hair, you may want to know whether it is in a healthy condition or not. 98% of the people need a hair tonic.

Pull a hair out of your head, if the bulb at the end of the root is white and shrunken, it proves that the hair is diseased, and requires prompt treatment if its loss would be avoided. If the bulb is pink and full, the hair is healthy.

We want everyone whose hair requires treatment to try Rexall "93" Hair Tonic. We promise that it shall not cost anything if it does not give satisfactory results. It is designed to overcome dandruff, relieve scalp irritation, to stimulate the hair roots, tighten the hair already in the head, grow hair and cure baldness.

It is because of what Rexall "93" Hair Tonic has done and our sincere faith in its goodness that we want you to try it at our risk. Two sizes, 50c and \$1.00. Sold only at our store—The Rexall Store, Smith's Corner Drug Store.
