

IS YOUR HAIR TURNING GRAY?

What does your mirror say? Does it tell you of some little streaks of gray? Are you pleased? Do your friends of the same age show this loss of power also? Just remember that gray hair never becomes darker without help, while dark hair rapidly becomes gray when once the change begins.

Ayer's Hair Vigor

will bring back to your hair the color of youth. It never fails. It is just as sure as that heat melts snow, or that water quenches fire. It cleanses the scalp also and prevents the formation of dandruff. It feeds and nourishes the bulbs of the hair making them produce a luxuriant growth. It stops the hair from falling out and gives a fine soft finish to the hair as well.

We have a book on the Hair and Scalp which you may obtain free upon request. If you do not obtain all the benefits you expect from the use of the Vigor, write the doctor about it. Address, DR. J. C. AYER, Lowell, Mass.

Dr. Miles' Nerve Restores Health.

UNCLE EZEKIEL OBEAR, assessor and tax collector, Beverly, Mass., who has passed the 80th life mile stone, says: "Dr. Miles' Restorative Nerve has done a great deal of good. I suffered for years from sleeplessness and nervous heart trouble. Would feel weary and used up in the morning, had no ambition and my work seemed a burden. A friend recommended Dr. Miles' Nerve, and I purchased a bottle under protest as I had tried so many remedies unsuccessfully. I thought it no use. But it gave me restful sleep, a good appetite and restored me to energetic health. It is a grand good medicine, and I will gladly write anyone inquiring, full particulars of my satisfactory experience."
 Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

Memorial Service.

As previously announced services were held Sunday morning at Owen Church in recognition of the late Jacob Houts, and we were gratified to see the church well filled with his relatives, friends, and neighbors, many coming from a great distance. The services were opened by singing of several selections by the choir. Then Rev. R. L. Killian read selections from Paul's 1st Epistle to the Corinthians touching the resurrection of the dead, and also from the Psalms of David. Then another selection by the choir. Then prayer was offered and another selection by the choir. Then followed the sermon of Mr. Killian from 2nd Timothy 4th Chap. 7th and 8th verses which was a fine eulogy of Mr. Houts in his varied relations as a minister, citizen, neighbor, and friend, and introducing many instances showing the earnestness and benevolence of his nature. Mr. Killian was followed by Rev. R. H. Oury, who testified to the grand character of Mr. Houts, and quoted many special instances of his desire to do good. Mr. Oury closed with a well-worded eulogy. After prayer by Mr. Mason, the services terminated. To what was said at the public expression of respect and esteem we add the lines of Whitlitt:

Thanks for the good man's beautiful example
 Who in the vilest saw
 Some sacred crypt or altar of a temple
 Still vocal with God's law.
 "Men failed, betrayed him but his zeal
 seemed nourished
 By failure and by fall,
 Still a large faith in all mankind he
 cherished,
 And in God's love for all."
 But round his grave are quietude and
 beauty,
 And the sweet heaven above,
 The fitting symbols of a life of duty
 Transfigured into love.

New Amphitheater.

Monteagle, Aug. 19.—The trustees of the Monteagle Assembly appointed under the recent reorganization met this afternoon and elected officers as follows: General Manager and Treasurer, W. R. Payne; Superintendent of Platform and Schools, Prof. A. P. Bourland; Resident Physician, Dr. E. W. Draks, Chattanooga; Resident Surgeon, Dr. A. Hudson, Nashville; Resident Dentist, Dr. W. H. Richards, Knoxville.
 Dr. J. I. D. Hines, of Lebanon, formerly Superintendent of Platform, declined to stand for re-election.
 The trustees also decided to build a new and handsome amphitheatre at a cost of \$13,000. R. E. Hunt, of Chattanooga, has been selected as the architect, and at the meeting this afternoon he submitted plans which met with the approval of the trustees. The plans call for a modern and very handsome structure with stone walls. The site will be the one on which the present amphitheatre stands.
