Literary Society.

Following their annual custom this society gave an entertainment Wednesday to a good audience.

Owing to the enforced absence of president Curtis, Major Thomas H. Hill presided. The first number on the program was an instrumental selection for organ and violin, "Blue Eyes Polka," which was spiritedly performed by Miss Louise and Mr. W. C. Hill. Oscar Campbell then made a good presentation of "Our National Ensign."

A debate followed on the question "Resolved that the pleasures of anticipation exceed those of realization," and was handled in a lively style by Spears Robertson for the affirmative and Edgar L. Pryor for the negative. A beautiful rendition of "Home, Sweet Home," with guitar and violin, by Miss Louise and Mr. W. C. Hill, followed. Then Miss Thula Martin to fill a vacancy recited a lengthy poem "Auntie and Willie's Prayer," very beautifully. W. C. Robertson closed the entertainment with a spicy paper.

Ice cream and lemonade was next in order and after the supply was exhausted the audience dispersed, having spent a very pleasant and satisfactory evening.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature to do its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J.
