OVERNIGHT CURE FOR COLD IN HEAD OR CHEST.

IT IS CURING THOUSANDS DAILY, AND SAVES TIME AND MONEY.

Get a bowl three quarters full of boiling water, and a towel.

Four into the water a scant teaspoonful of HYOMEI (Pronounce it High-o-me).

Put your head over the bowl and cover head and bowl with a towel.

Breathe the vapor that arises for a few minutes, and presto! your head is as clear as a bell, and the tightness in the chest is gone.

It is a pleasant cure. You'll enjoy breathing HYOMEI. You'll feel at once its soothing, healing and beneficial effects as it passes over the inflamed and irritated membrane. Fifty cents a bottle, at druggists everywhere. Ask at Oliver's Red Cross Drug Store for extra bottle HYOMEI Inhalant.

Early Christmas Shopping.

It is all very well to talk about early Christmas shopping, but nine-out of ten of us have not the early Christmas shopping wherewithal. What with shoes for Johnnie, and a coat for Susan, and gentle reminders from the coalman and other trusting ones, most of us come bump up against the week before Christmas before we can spare a cent for Christmas doings. Then the question is, What? The stores are jammed, there are heaps of foolish notions to catch the belated shopper.

And yet how easy it is to get just the right thing at a modest cost, namely, a year's subscription to the Youth's Companion!

It costs \$1.75, and how can you invest \$1.75 to better advantage if you wish to make a gift that will benefit as well as gratify the friend or family to whom you send it? And if you can subscribe early, you get just so much more for the money—all the issues for the remaining weeks of 1911 free.

Then, too, your present will be as fresh and pleasing a year from now as on Christmas morning, and of how many presents can that be said?

The one to whom you give the subscription will receive free The Companion's Calendar for 1912, lithographed in ten colors and gold, and you, too, as giver of the subscription, will receive a copy of the Calendar.

Only \$1.75 now for the 52 weekly issues, but on January 1, 1912, the subscription price will be advanced to \$2.00.

THE YOUTH'S COMPANION, 144 Berkeley St., Boston, Mass.

Merchandise and Service Make This A Great Clothing Store

EVERY article that goes out of this store of ours must demonstrate the fact that we have established a new standard of merchandising and service that merits the fullest confidence of the clothes buying public. In arranging our store we had this ideal in mind; in selecting our lines we kept it constantly before us; in our daily transactions we never forget it. Both in buying and selling our first thought is of you.

The goods must please and satisfy you, not simply at the beginning, but permanently.

LET us be your favorite men's furnisners. We're as careful in buying at wholesale as you could be in filling your individual wants. We exact prices, quality and style that enable us to offer the utmost for the money.

Drop in at noon-times—make this your headquarters. Always something worth while here.

WE recommend IDE SILVER COLLARS, with the Linocord Buttonholes, so easy-to-button. They don't tear out—they preserve collar life, shape and fit.

The DELMAR is the newest shape—a straight-front that meets close. But come and see.

The values given you for the prices you pay must surpass what you can secure elsewhere.

The services and courtesy extended must be a proper recognition of your favor and patronage.
