Maude—Eczema is frequently caused by eating soup with a knife. Wearing your shoes in bed or inhaling an auto driver's breath also brings about this affliction. A good remedy is made by mixing four ounces of dynamite with an elephant's lung and one pint of ink. When dissolved let soak through a horse blanket and rub on the itching surface with sand paper.

MANY FEATURES IN THE WHITE WAY MINSTRELS

Some Stunts, Believe Us, Are Being Framed Up—Best Talent in the City Takes Part.

Resplendent in gorgeous costumes and surrounded by beautiful scenery, for the second season the White Way Minstrels will present a much better show than last year (and that was some show), the performance to take place at Reynolds Theatre Tuesday, March 24.

New songs, jokes, acts and dances will be presented, and among those taking part in the entertainment will be the pick of last year's performance with the addition of some new faces, all local people.

Everyone will remember the purpose for putting on the minstrel last year was an effort made to gather together funds to install our Great White Way in the business section. Now the purpose of this entertainment is to make up a balance due on the contract that is unpaid, and if you will attend this performance you will be well repaid with an evening of pleasant enjoyment, as well as help the Boosters clean up the outstanding expense of the White Way. In the grand first part the curtain rises on a setting representing a tropic island. The White Way Minstrel Troupe, while homeward bound, after a successful tour abroad, are shipwrecked upon this island, and while waiting for a rescue ship the company rehearse their all new program, introducing Mr. H. T. Robinson as interlocutor, while H. M. DeGraffenreid, Boyce Howse, Otho Beck, J. F. Semones, R. C. Jackson, Curtis Verhine, S. B. Thompson, Irvine Griffin and others will appear as end men. The clever comedians will render comedy songs, tell new jokes on local politics and the folks about town, (and if you are not present you will be talked about the same as if you were present) and the comedians will also take part in up-to-date dancing and marching numbers. The balladists, who will contribute pleasing song numbers, are Messrs. Lea Garth, C. V. Jones and others. They will be assisted by one of the best male choruses ever heard in the city, and their singing will be one of the most pleasing features of the night's entertainment. The first part with its host of singers, dancers, musicians and funny men, will present a strictly up-to-date minstrel performance such as only the big city shows present, with its catchy songs, funny jokes by the end men, and its clever dancing numbers. One very entertaining feature will be "local" jokes "sprung" by the end men. These jokes are all on local people and conditions, and the official joke-smith has been busily engaged for the past two weeks in looking up the "dope" on the prominent citizens, and many of them will "get theirs" on the night of the minstrel performance. The jokes are harmless, however, and the victims will enjoy the fun.

The olio, or second part of the show, will be most entertaining with its great variety of acts. What will prove to be a big laughing hit will be "Jimmie" (in an eccentric makeup that is a scream) telling how he lost his leg, and some other great experiences. The Harris Brothers, J. C. and W. T., will present to the patrons a dancing divertissement entitled "The Original Tango," worth going miles to see. Prof. Chas. Wehman will put you next to a few tricks of mysterious magic "most equal to Hermann the Great. The White Way Quartette will be there with the goods, with a bunch of the latest comic songs and ballads to balance up the program, and the performance will close with a feature act—one that will take the older people back to the days of the "Old Time Minstrel Show" with the big plantation act, "Way Down South," in which about thirty singers, dancers and comedians will appear. The show will be a fast and snappy one from start to finish, with but one short intermission, between the first and second parts, and then you will be entertained by "Jimmie's" orchestra of all-star musicians. The show will last about two hours and fifteen minutes, and will have no long drawn out dialogues to tire you, but every number will be full of life and action. The fun starts the minute the curtain rises and keeps up until the final fall on the scene of the darkies dancing in the moonlight.

The reserve seat sale opens at Dahoke's just a few days before the performance, and from the comments

made by the great number of people who witnessed our performance of last season, there is going to be a wholesale rush for the best seats, the prices ranging from 35c to 75c, and we assure you a much better show for the money than you usually see. Be sure and arrange to see this show, for you just can't afford to miss one of the best minstrel shows that you ever saw.

A grand street parade will take place on the business street about 2 p. m. on the afternoon of the show.

INDIGESTION OVERCOME Overcome by Simple Remedy.

Hurried and careless habits of eating, irregular meals and foods that do not harmonize, tend to weaken the digestive organs and result in different forms of stomach trouble.

If you are one of the unfortunates who have drifted into this condition, eat simple foods only, slowly, regularly and take Vinol, our delicious cod liver and iron tonic.

Mrs. H. J. Smith, Thomasville, Ga., says: "I suffered from a stomach trouble, was tired, worn out and nervous. A friend advised me to take Vinol. My stomach trouble soon disappeared and now I eat heartily and have a perfect digestion and I wish every tired, weak woman could have Vinol, for I never spent any money in my life that did me so much good."

The recovery of Mrs. Smith was due to the combined action of the medicinal elements of the cod's livers—aided by the blood making and strength creating properties of tonic iron, which are contained in Vinol. We will return the purchase money every time Vinol fails to benefit.

In the Heart of Tennessee.

TO MRS. A. E. C.

There's a quiet little valley
In the heart of Tennessee
Where the river shines and sparkles
As it rushes to the sea.

There's a quiet little valley
Where the robin builds its nest
And the wild rose shakes her petals
On the laughing river's breast.

Oh! That happy little valley
In the heart of Tennessee
Where the sheen and shadow fold it
In silent ecstasies.

There's an humble little cottage
In the heart of Tennessee
Where the roses bloom all summer
But it's good enough for me.

There's a darling little grandmother
In the heart of Tennessee
Though her hair is turning gray
She's all the world to me.

A CONFESSION

Hopes Her Statement, Made Public, will Help Other Women.

Hines, Ala.—"I must confess," says Mrs. Eula Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, I would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously.

Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight."

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer.

For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically on the womanly constitution, and helps build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.
