Insurance that Insures

ACCIDENT Union City, Tenn.

The Obion County banks are publishing statements this week, and the condition of our finances, indicated by these institutions, is normal and usual notwithstanding the strained conditions brought on by the war and shortage of local crops. The deposits are more now than they were this time last year, and the loan account is in a wholesome condition. Our finances are in a first-class shape, and that is a good sign.

Let's all get together for the Confederate State Convention in October, to be held here. The committees were billed to meet last night and it is hoped that they have made some progress. There is to be banqueting, speaking, band concerts and entertainment of different kinds, besides the camp life of the old soldiers at the fair grounds. A big basket dinner is planned to be provided for by the people of Union City and the county, and this is already underway. The chapters, the camp, the Fair Association and the Business Men's Club are behind the arrangements, and everything should be in fine condition by the date of the meeting.

Col. Mott Ayres, formerly owner, publisher and editor of the Fulton Leader, is now editor and publisher of the Laurel (Miss.) Daily Leader, a big seven-column daily paper with the first edition of 16 pages. Mr. Ayres is the principal stockholder and the office is equipped with typesetting machines and a big Goss Comet web perfecting press. Mr. Ayres was in Fulton for many

years, and his new venture is a rise in journalism to a position for which he is well qualified to fill. We tender the Leader kind wishes. W. M. Campbell, formerly of this office, is with Mr. Ayres at the head of the mechanical department and he is a good one.

Librarian.

A few weeks ago the Board of Education elected Miss Willo Whitson librarian to take charge of the Carnegie Library, and arrangements are now being made to open the library to the public. Miss Whitson was recently awarded a scholarship in the High School by the Leonidas Polk Chapter, U. D. C., and the selection of this young lady to look after the library was a good one. She is capable and accomplished and will make a good librarian.

Fine Service.

Capt. J. T. Perkins was here Tuesday and informed us that a packed car from Memphis is now delivered in Union City on time seventeen days out of twenty, and from Paducah a packed car is delivered eighteen days out of twenty on time at Union City. This enables merchants having goods shipped out of Memphis and Paducah on p. m. each day delivered to them the next p. m. not later than 2 o'clock.

We have farms for sale in every section of Obion County and quite a number of them in the central and western part of Fulton County. We can suit you in any price land you want.

Opening the Season.
Capt. Miller Everett, with his plucky squad, opens the football season at the Training School park on next Friday, Sept. 25, at 3:30.

This, the first game of the season, will doubtless be a snappy one from the beginning to the end. Obion claims to have a fast and a winning team this year. The Training School also claims that they will not lose a game. There are some new men to be developed but when coach Turner has sent them to the field of play you will see some of Dan McGugin's blood flowing in the veins of his team. With Ardelle King at full, Russell R. at right half, Miller Eyerette at left half, Bob McConnell at quarter, Marshall Wright at left end, Robert Alexander at right end, Eastwood and Posey at tackles, T. Haynes and Richard Waters at guards, E. Wilson at center and David Stalcup and Herbert Hardy to use if necessary, then how can Capt. Everett's team lose?

The schedule is about complete now. Obion, Martin, Clinton, Trenton, McKenzie, and probably M. U. S. at Memphis and Fulton, also Huntington. The dates of games at home are: Sept. 25, Oct. 3, 10, 17, 24.

There is no reason why the people of this city should not attend these home games. Football is by far a better game than baseball and much more beneficial to the boys, as it brings out the better man. The statistics will show that the injuries received in football are fewer than in baseball. Football is not at all the old-time game of the knock down and drag out type. Its ruling, which is very strict, is such that a boy is compelled to play nothing but a clean and manly game from every standpoint.

Let everybody come out to these games. If you don't know the game it will take but a short while to learn. You will soon see that there is no comparison in the games. You will also find that the boys get far more out of the football game.

City Council.

Nothing special came up for consideration before the Board of Mayor and Aldermen last Tuesday night. There were a lot matters disposed of in the way of discharging committees and laying over petitions until the finances are in better condition.

The board was petitioned for a heating plant for the gymnasium and the swimming pool, but this was referred for consideration.

The Curlin Sale.

The busiest sale held in Union City for some time is taking place this week at Curlin's store under the direction of Walter Howell, trustee. On Tuesday, the opening day, the sales were approximately \$2,000. The beauty of the sale is that as long as there is a piece of goods in the house there will be something good. Mr. Curlin never bought inferior goods, and the customer can expect his money's worth every time.

Struck on Head.

Mr. Chris Scheurer, on his way home Wednesday night, was struck on the back of the head with a sandbag by an unknown party or parties, and he was picked up by Mack Harris, who was near by. Chris was not badly hurt, but he was knocked senseless for awhile with a considerable bruise.

First Christian Church.

Rev. John B. Cowden, a well known minister of the Christian Church, will preach next Sunday morning and evening at the First Christian Church in Union City. Rev. Cowden is known as one of the ablest men of his church and the congregation will no doubt give him a large attendance.

The Frank Dietzel case is docketed to be called next Monday, Sept. 21.

W. O. W.

The Kentucky and Tennessee annual encampment held here last week was broken on Saturday, after a very pleasant and profitable meeting. On Thursday the contest exercises were held at the fair grounds. The prizes awarded were five large solid silver cups, very beautiful.

At 7 o'clock in the evening the grand parade took place, headed by the mounted police of Union City, then the encampment band and the officers of the encampment whose names appeared in the paper last week, and the companies in dress uniform.

The Union City band was also in the parade with bandmaster Fletcher Tate. This organization gave a concert after the parade, which was highly enjoyed. The business men of Union City also took part in the parade with a number of unique contributions. Speaking was announced after the parade to take place at the Francis Airdome, but the rain prevented. A class introductory was held at the courthouse.

Burglar Caught.

The Marshal of Newbern caught the burglar at Newbern who broke into the residence of Seid Waddell Monday night, and recovered the money and the jewelry altogether. The burglar is a negro who gives his name as Will Roberson and is a bad sort. He broke into a house at Newbern and was caught by Marshal Townes, who happened to see a notice of the Union City burglary in the Commercial Appeal, and immediately searched the negro and found the stolen property, and the burglar is insurance vile, Mr. Waddell recovering his valuables, which were brought over by Marshal Townes Wednesday.
